

What is your refund policy?

There are no refunds. We spend all of the money we collect from ticket sales so we are unable to refund money if you change your mind or cannot make it to Grad Night.

What happens if Grad Night is canceled?

Covid years are an exception. If Grad Night is canceled, we will refund 75% of your ticket price. Unfortunately, since we have to put down deposits with many of the vendors, we are not able to refund 100% of your money.

What happens to all of the money you've spent on deposits and purchases if Grad Night is canceled?

Some vendors are willing to hold our deposits and apply them to the following year's Grad Night. Some will not. It is completely at the discretion of the vendor. Any non-perishable purchases made will be saved and used for the following year's Grad Night.

What if my student wants to arrive after 9:30 pm or leave before 4:30 am?

Private transportation is not allowed as both the park and its parking lot will be locked between 11:30 pm and 4:30 am. However, in the event that a student becomes ill or is request to leave the premise immediately, a parent will be contacted to pick up their child in Modesto. There are no exemptions .If a student must leave prior to 4:30 am, the parent must contact the Grad Night Committee to discuss the reason and see if this can be permitted. This holds true to those over 18 as well – this is according to our insurance policy and is non-negotiable.
