

Double Your Donation with Corporate Matching Funds

Many companies offer matching gift programs to encourage employees to contribute to charitable organizations. Some provide matching funds to support employee volunteer hours. Most of these programs match contributions dollar for dollar, and some will even double or triple the amount of your gift!

What are employee matching gift programs?

Employee matching gift programs are corporate giving programs in which the company matches donations made by employees to eligible nonprofit organizations. *It's an easy way to double your contribution to us!*

What are volunteer grant programs?

Volunteer grant programs are corporate giving programs in which companies provide monetary donations to organizations where employees volunteer regularly. *If you volunteer with us, it's an easy way to provide us with additional financial support!*

How do I request a matching gift or volunteer grant?

Requesting a matching gift or volunteer grant is normally a five minute process which must be initiated by the donor/volunteer. You can do this by filling out and submitting a paper match form provided by your employer or through an electronic submission process.

What if I still have questions?

For questions regarding your company's programs, please contact your employer's HR or community giving department. For questions regarding submitting a matching gift or volunteer grant request to Foothill PTSA, contact Foothill PTSA Treasurer Sangita Patel at foothill.ptsa@gmail.com.

Foothill PTSA is a 501c3 non-profit association. Corporate match submissions requiring verification should be sent to:

Foothill PTSA
