SEPARATIONS-DIVORCES

It is the intent of the Woodland Hills School District to remain neutral toward families split by divorce or separation. We do not want to take sides with one parent against the other where there may be possible conflict over children attending school in our District. If you have a legal court document, which establishes you as a sole legal guardian, you will need to provide the District with a copy of the document to be attached to your child(ren)'s permanent records. We will use this as a legal basis for working with you as the custodial parent.

In the absence of such a document, you must be aware that we cannot deny either parent access to his/her child(ren). We cannot withhold information or refuse to see or work with the other parent. We cannot keep the other parent from picking up his/her child(ren) from school.

The Woodland Hills School District wants to protect all children from potentially emotionally upsetting situations. The School District appreciates the parents pursuing whatever can be settled outside the school to forestall any confrontations.

Is there a divorce or separation that affects your child's custody?
