

Parent Bulletin Friday 23rd September 2022

Dear Parents/Carers

School life is very much back to normal now and I am delighted that we have so many students who have signed up to our after school clubs. I know how much students enjoy these and the range of activities available covers many subject areas. If your child is doing one of the clubs please ensure they come along each week.

Today I have the pleasure of spending break time talking over a hot chocolate with some Year 8 students who have had a great start to the year so far. Like many students they are enjoying their new timetable and subjects although made sure they pointed out to me how much more homework they feel they are getting this year!

On Monday 3rd October we have our rescheduled Open Evening (as we were closed on Monday 19th when it was meant to be). I am looking forward to us welcoming Year 6 parents and pupils into school and grateful to all those students who are staying here to help make the evening a success. On our website we have a short film about the school which you might like to see. You can get to it from [here](#) if you'd like to see it.

Have a good weekend.

Best wishes

Peter Collins

Headteacher

News and Information

Half Term Camp – Thames Valley Athletics Centre

Please see attached details of a Multi-Activity Half Term Camp at Thames Valley Athletics Centre.

This week's **Collective Worship** reflection is:

Father God

I thank you that you have created us to be just the way that we are. That you have given each of us unique skills and abilities, and that there is a future career that suits each of us.

I pray that you help and guide each person to find the right pathway for them, so that they may live a fulfilled life.

Amen

I have come in order that you might have life – life in all its fullness (John 10:10)
