## ISAAC 6<sup>TH</sup> GRADER MAKING A DIFFERENCE IN THE COMMUNITY!

New London, CT— It's not every day you get a chance to raise over \$1,100 dollars for a local cause. That is exactly what Olivia Campbell did on September 17, 2022. Olivia, is a 6th grade student at ISAAC and an active member of the 2022 Connecticut Kid Governor Cabinet (<http://ct.kidgovernor.org/cabinet2022>). She wanted to bring a worthy cause forward to those she serves with. The cause, FRESH Garden Walk for Food Justice! The walk helps promote food justice and sustaining green spaces. According to FRESH New London's website, their mission: "At FRESH, we know that the relationship between food justice and racial justice is very real. Working together in our collective culture increases food access, community cohesion, self-esteem and green spaces across generations."

The 2.5 mile walk took Olivia and members of her family, some time as they visited 5 of New London's Community Gardens. "If you need food in the community, they will help provide fresh produce", said Olivia. I thought it was really cool, I've never seen a real farm. It was really cool to help raise money for a good cause.

Olivia Campbell stands outside one of 5 Community Gardens during the FRESH Garden Walk for Food Justice!

The City of New London and ISAAC are extremely proud of our students and their work to help our community. Great work, Olivia!

### TEACHER SPOTLIGHT, MS. HARVEY

I love teaching Health & PE and especially here at ISAAC. The administration, staff, and kids are amazing and so much fun. Growing up, I played various sports all the way up through high school and then continued playing softball at UMASS Lowell and CCSU. I was named captain of the CCSU softball team and was nominated All American in strength and conditioning. I still

love playing all kinds of sports and working out, especially beach volleyball and I'm re-learning how to surf again from when I was younger. I also love spending time with my family and friends, going to the beach, going on the boat fishing, and Reggae music the most. I enjoy being outdoors in nature, my kids and I like to find different trails and adventure spots on the weekends. My oldest son plays baseball in college, so we are planning a few trips to New York to watch him play this year. Again, thank you to everyone, staff and students, for giving me a warm welcome here at ISAAC! - Ms. Harvey

### Principal's Notes:

Hello ISAAC Families,

We are moving quickly through Quarter 1. Please check PowerSchool and ask your child about their Google Classroom and assignments. We love getting calls and emails regarding student work. Together, we work to help make our students have the best academic experience. Go Dragons!

WJ Linski

### UPCOMING EVENTS/PROGRAMS
