A CASTL AND CAPITAL AREA INTERMEDIATE UNIT FUNDRAISER

## THANKS FOR YOUR SPONSORSHIP!

Together, the CAIU and CASTL invite you to a night of cocktails, hors d'oeuvres, and casino games in support of bringing Dolly Parton's Imagination Library to families and children of the capital region.

Recognizing that early access to books in the home is the most critical factor in a child's success as a learner, the Imagination Library provides a new, free book every month to children from birth to age five.

The families and children in the capital region do not yet have access to the Imagination Library. Our goal is to raise \$500,000 to start the Imagination Library in Dauphin, Cumberland, and Perry counties.

This is a fantastic opportunity to have a tremendous impact on the lives of children in our community. Please join us and enjoy a night out in support of this amazing program.
