About The TENG Company

The TENG Company Ltd (TENG) is a leading not-for-profit arts company focused on the development of a Singaporean musical identity, bringing together culturally and actively giving back to our community, through outreach and education.

TENG composes and performs on Chinese and Western instruments, nurturing musical interests in young musicians through its Chinese Music Instrumental Grading Examinations and scholarships. We believe the experience of live music can soothe the soul. As Friedrich Nietzsche observed, "Without music, life would be a mistake."

The TENG Company Presents: *More than Music!* Gala Concert

A special gala concert will be presented on 29th October 2022 (Sat) at The Riady Performing Arts Centre, Singapore American School (SAS). We are deeply honored to be holding our fundraising concert at an outstanding educational institution like the SAS for the first time! Through our partnership with SAS with the *More than Music!* Gala Concert, we hope to continue building our links to the broader community throughout Singapore.

Held at 7:00pm, TENG presents a stunning evening of works that showcases the research which underpins our musical aspirations. The gala concert will highlight our emphasis on education and programmes working with the youth – ranging from projects with students with special needs to grading examinations and scholarships, as well as TENG's impact on the community, centered on the healing power of music.
