OFFICE OF THE HEADMASTER

11th January 2022

Dear Parents and Guardians,

Re: Revised Plan for the Opening of School

As a school registered to teach an international curriculum, we have received permission to open for residential learning, provided we pass an inspection by the local health authorities. I am pleased to announce that we have received this permission to open the secondary section of the school next week.

The plan for this is as follows:

Saturday 15th January Arrival of new boarders and boarding prefects

A reminder that new boarders must be accompanied by parents for their initial arrival.

Sunday 16th January Arrival of Copperbelt and Lusaka buses

New boarders' Induction

Monday 17th January Lessons start at 07:10

Boarders scheduled to fly into Solwezi will receive an email from school administrators once this has been finalised with Proflight.

Please note that the change in the calendar only affects the secondary school and boarding. The primary school will commence remote learning on the 13th of January as previously communicated.

I believe this is great news, as it reduces disruptions on pupil learning. I look forward to welcoming new and old students alike in the coming days.

Kind regards,

Dr M. Matshakaile
