Family Activities

At Patuxent Appeal Campus, we provide many ways for parents and families to be involved in their child(ren)'s education. In September, families attend an Open House/Annual Meeting that reviews the Title I program and services, grade level expectations and Maryland College and Career Ready Standards. We also offer individual conferences at times convenient for parents and guardians to ensure that parents and teachers know how to maintain two-way communication about student progress.

We also offer a range of parent and family activities throughout the school year, including:

- Pop In and Meet the Principal
- Greet Your Seat
- Grade Level HOWL (Helping Our families With Learning) Events
- Open House
- Parent Advisory Meetings
- Parent Conferences
- Reading Family Night
- Math Family Night
- Science Family Night

As partners in your child's education, your input on the PAC School Improvement Plan, Home School Compact, Family Engagement Plan and spending of the family engagement funds is welcomed and encouraged. Please share your ideas at Parent Advisory Meetings, surveys, evaluations, and PTO meetings.

Family Engagement Funds

By law, 1% of Calvert County's Title I funds must be allocated for Family Engagement activities.

At Patuxent Appeal Campus, \$18,290.31 has been allocated for the 2022-2023 school year.

In 2021-2022, these funds were used to hold family events and provide family learning materials.

Parent input on how these funds are spent is vital. We encourage you to share your feedback through Parent Advisory meeting or contacting Mrs. Beckwith via email beckwithm@calvertnet.k12.md.us or at 443-550-9710.
