*In conformance with the Superintendent's contract, the Board is required to perform a year-end evaluation on or prior to the July Board meeting.*

*In keeping with KRS 156.557, while in executive session, the Board conducted a preliminary discussion of the year-end evaluation of the performance of Superintendent Radford in closed session. The process of conducting the superintendent's evaluation was as follows:*

- *Evaluation documents were sent out to the board members in May.*
- *Board members were given approximately two (2) weeks, to complete their documents and return them to me. The Board members were asked to use the following ratings:*
  - *Exemplary (exceeds the standard)*
  - *Accomplished (meets the standard)*
  - *Developing (makes growth toward meeting the standard)*
  - *Growth Required (to be addressed in the Professional Growth Plan)*

*Board members were encouraged to provide comments when appropriate.*

*These preliminary results were discussed, and a formal evaluation was prepared in executive session today.*

*The evaluation document centers on the 2021/2022 standards adopted by the Board for the superintendent. The standards include:*

- *Strategic Leadership (vision, mission, review of data)*
- *Instructional Leadership (teaching & learning)*

- *Cultural Leadership (trust & support in the community)*
- *Human Resource Leadership (highly effective, diverse staff)*

He has worked diligently to acclimate to our district, identifying needs and assessing how best to move forward.
