A. Call to Order / Roll Call

B. Adoption of Agenda

C. Action

1. Approve Resolution 1-2022-23 Authorizing Remote Teleconference Meetings

Background: On 9-20-21, Governor Newsom signed an executive order waiving the application of AB 361 until October 1, 2021, when the provisions of a prior executive order that established certain requirements for public agencies to meet remotely during the COVID-19 emergency will expire. AB 361 extends the flexibilities provided in the Governor’s prior executive order to local and state bodies to hold public meetings electronically beyond the executive order’s 9-30-21 expiration date. The order specifies that for any meetings held to determine if remote meetings are justified beyond September 30, local legislative bodies must follow the statutory requirements established by AB 361. The action provides clarity for local legislative and state bodies about the applicable requirements for holding remote meetings.

Need: With AB 361, The North Region SELPA Policy Board can hold remote Board meetings under certain conditions. Since Alameda County’s Public Health Department no longer has a social distancing requirement, the Policy Board must make a finding that in-person meetings “present imminent risks to the health or safety of attendees.” The board is presenting a resolution stating this is the case. This resolution is valid for 30 days, so the Board will need to approve a new resolution each month in order to continue to hold remote meetings.
