

## Once Upon a December

- Dancing bears, painted wings, things I almost remember  
And a song someone sings, once upon a December.  
I: Someone holds me safe and warm. Horses prance through a silver storm.  
Figures dancing gracefully across my memory. :I Ahhh.
- Far away, long ago, glowing dim as an ember,  
things my heart used to know, things it yearns to remember.  
And a song someone sings, once upon a December.
- Do you remember what I: :I means in music?

## Winter Wonderland

Sleighbells ring, are you listening? In the lane, snow is glistening  
A beautiful sight we're happy tonight walking in a winter wonderland.  
Gone away is the bluebird, here to stay is the new bird. He sings a love song as we  
go along, walking in a winter wonderland.

In the meadow we can build a snowman and pretend that he's a circus clown  
We'll have lots of fun with Mr. Snowman until the other kiddies knock him down.  
When it snows ain't it thrillin', though your nose gets a chillin'  
We'll frolic and play the Eskimo way I: Walking in a winter wonderland :I

## Cold Snap

- New frost is falling and dusting the trees, snowflakes are forming and lakes  
start to freeze. Time to wave good-bye to fall. Old man winter's come to  
call with a cold snap, with a cold snap.  
North winds are blowing and chilling the air. Mufflers and mittens are what  
we all wear. Better go 'n' buy supplies. Now's the time to winterize for a  
cold snap, for a cold snap.  
Blue lips! Red cheeks! Stuffed nose, ch-ch-ch-ch- chatt'ring teeth!  
Sore throat! Can't speak! Shiver, shudder, 'tis the season to be coughin' to  
be sneezing'!

- Watch your leader to know what to do!!!! It's coughing and sneezing  
Deep snow is drifting and covers the hills, icicles hanging beneath window  
sills. Stay inside where it is warm, safe from nature's bitter storm and the  
cold snap, and the cold snap and the cold snap and the cold Snap!

## The Lights of December

Sparkling and shimmering, glowing and glimmering, bright are the lights of  
December. Glittering, gleaming, flashing and beaming a sight we will ever  
remember.

Through the dark nights shine the bright lights, bringing warmth to hearth and  
home

In the bitter winter weather, merrily twinkling and joyfully blinking, they dance  
and glisten across the snow.

Sparkling and shimmering, glowing and glimmering, bright are the lights of  
December. Glittering, gleaming, flashing and beaming a sight we will ever  
remember.

Cold and dark December nights. Warm and bright December lights.

Flickering candlelight glowing this winter night, warm are the lights of December.

Illuminating we find captivating the magic of flame and of ember

Through the dark nights shine the bright lights, bringing warmth to hearth and  
home

In the bitter winter weather, merrily twinkling and joyfully blinking, they dance  
and glisten across the snow.

Sparkling and shimmering, glowing and glimmering, bright are the lights of  
December. Glittering, gleaming, flashing and beaming a sight we will ever  
remember.

The lights, the lights, the bright lights the lights of December

Feliz Navidad

Feliz Navidad  
Feliz Navidad  
Próspero año y felicidad

- I wanna wish you a merry Christmas  
I wanna wish you a merry Christmas  
I wanna wish you a merry Christmas  
From the bottom of my heart  
I wanna wish you a merry Christmas  
I wanna wish you a merry Christmas  
I wanna wish you a merry Christmas  
From the bottom of my heart.

You're A Mean One, Mr. Grinch

- 1. You're a mean one, Mr. Grinch  
You really are a heel  
You're as cuddly as a cactus, you're as charming as an eel, Mr. Grinch  
You're a bad banana with a greasy black peel!
- 2. You're a monster, Mr. Grinch  
Your heart's an empty hole  
Your brain is full of spiders, you've got garlic in your soul, Mr. Grinch  
I wouldn't touch you with a thirty-nine-and-a-half foot pole!
- 3. You're a vile one, Mr. Grinch  
You have termites in your smile  
You have all the tender sweetness of a seasick crocodile, Mr. Grinch  
Given a choice between the two of you I'd take the seasick crocodile!
- 4. You're a foul one, Mr. Grinch You're a nasty-wasty skunk  
Your heart is full of unwashed socks, your soul is full of gunk, Mr. Grinch  
The three words that best describe you are as follows, and I quote  
"Stink, stank, stunk!"
- 5. You're a rotter, Mr. Grinch  
You're the king of sinful sots  
Your heart's a dead tomato splotched with moldy purple spots, Mr. Grinch  
Your soul is an appalling dump heap overflowing with the most disgraceful

Assortment of deplorable rubbish imaginable, mangled up in tangled up knots!

- 6. You nauseate me, Mr. Grinch  
With a nauseous super "naus"!  
You're a crooked dirty jockey and you drive a crooked hoss, Mr. Grinch  
You're a three decker sauerkraut and toadstool sandwich with arsenic sauce!

## Rudolph, The Red-Nosed Reindeer

- You know Dasher and Dancer and Prancer and Vixen  
Comet and Cupid and Donner and Blitzen  
But do you recall  
The most famous reindeer of all?
- Rudolph the Red-Nosed Reindeer  
Had a very shiny nose  
And if you ever saw it  
You would even say it glows
- All of the other reindeer  
Used to laugh and call him names  
They never let poor Rudolph  
Join in any reindeer games
- Then one foggy Christmas Eve  
Santa came to say  
"Rudolph, with your nose so bright  
Won't you guide my sleigh tonight?"
- Then how the reindeer loved him  
As they shouted out with glee  
"Rudolph the Red-Nosed Reindeer  
You'll go down in history"

## Shoulda Been a North Pole Elf

- Lately I've been spending time thinking about myself, and I have slowly come to realize that I should-a been a North Pole elf.  
Baking cookies, trimming trees, and all the other Christmas stuff, like hanging mistletoe and candy canes, oh, I just can't get enough.  
That is why I'm hopin' soon a job will open to work with Santa Claus himself.  
There's no way to deny it, really wanna try it. I should-a been a North Pole elf.
- With a hammer and a nail, I'm something of a whiz. And when it comes to wrapping packages, I'm the very best that there is.  
I'd be good at making toys and stringing Christmas lights  
And please forgive me if I start to brag, but I'd prob'ly look good in tights  
That is why I'm hopin' soon a job will open to work with Santa Claus himself.  
There's no way to deny it, really wanna try it. I should-a been a North Pole elf.
- Lately I've been spending time thinking about myself, and I have slowly come to realize that I should-a been a North Pole elf.
- *I should-a, would-a, could-a been a North Pole elf.*

## Let It Snow! Let It Snow! Let It Snow!

Oh, the weather outside is frightful  
But the fire is so delightful  
Since we've no place to go  
Let it snow, let it snow, let it snow

It doesn't show signs of stoppin'  
And I've brought some corn for poppin'  
The lights are turned down low  
Let it snow, let it snow, let it snow

When we finally kiss good night  
How I'll hate going out in a storm  
But if you'll really hold me tight  
All the way home I'll be warm

The fire is slowly dyin'  
And my dear, we're still goodbyin'  
As long as you love me so  
Let it snow, let it snow, let it snow

## The Peace Carol

The garment of life, be it tattered and torn, the cloak of the soldier is weathered and worn, but what child is this that was poverty born, the peace of Christmas Day.

The branch that bears the bright holly, the dove that rests in yonder tree, the light that shines for all to see, the peace of Christmas day.

The hope that has slumbered for two thousand years, the promise that silenced a thousand fears, a faith that can hobble an ocean of tears, the peace of Christmas Day.

The branch that bears the bright holly, the dove that rests in yonder tree, the light that shines for all to see, the peace of Christmas day.

Add all the grief that people may bear, total the strife and the troubles and care, put them in columns and leave them right there, the peace of Christmas Day.

The branch that bears the bright holly, the dove that rests in yonder tree, the light that shines for all to see, the peace of Christmas day. The peace of Christmas Day. Peace.

## Nutcracker Jingles

- Start with regular jingle bells...you know it!

- Jing. Jingling jingle jingle bells, Jing. Jingling jingle jingle bells O what fun it is to ride, O what fun it is to ride in a one horse open sleigh a one horse open sleigh. (repeat)....
- All the same words, just different tunes. Don't worry, you have got this!

### Somewhere in My Memory

- Candles in the window, shadows painting the ceiling  
Gazing at the fire glow, feeling that gingerbread feeling.  
Precious moments, special people, happy faces I can see.  
Somewhere in my memory, Christmas joys all around me,  
living in my memory. All of the music, All of the magic, all of the family  
home here with me.
- Somewhere in my memory, Special friends all around me,  
living in my memory. All of the music, All of the magic, all of my friends are  
right here with me. (with me, with me, in my memory)
