Agenda:

1. Welcome
2. Date of the Sweethearts dance is February 18th which falls over Presidents Day weekend. Is there a chance of a change as many families may be out of town.
3. Follow up from last months discussion of selecting a valedictorian and salutatorian at graduation. (Recognition of academic achievement)
4. Could FHS begin providing the opportunity for students to opt out of Summit next school year? In other words, next year could FHS begin providing traditional core classes in proportion to the number of students who desire them?
5. Stacy Edholm, Swim Coach at FHS, addressing the continued concerns of transportation for her team and also the lack of pool space at the SDRC as well as the need for a pool in our community.
6. Review Graduation location, date, and time.
7. How is Summit adaptable for kids with IEP's and 504's.
8. Music at dances: Seems to be discontent from the student body on music played (lack of slow songs and music being stopped and lights turned on for moshing)
9. Homecoming Traditions: Better community involvement (Parade, F on mountain, Royalty etc.)
