According to N.J.A.C. 6A:8-3., district boards of education must make provisions for an ongoing K-12 identification process for gifted and talented students that includes multiple measures.

Criteria Used for Consideration for Eligibility for Gifted and Talented Services

Students are identified as Gifted and Talented by multiple measures with the following criteria conducted in two phases. The selection process begins at the end of April/beginning of May in the student's classroom.

First phase of selection process:

Teacher recommendation
Math average
ELA - DRA reading level
Report Card grades

Second phase of selection process:

Diagnostic Assessment
STEM Lab activity
