

Parkway Library

SEPTEMBER

Panther Pride is here and. RESPONSIBILITY is the word of the month. During Library Media time, we have focused on our library and book care responsibilities.

Our read-alouds have focused on book care, manners and finding a just right book. Throughout September we are also working on building community and engaging readers with social-emotional focused reads.

We are excited to introduce Scholastic's BookFlix to Parkway! BookFlix is a digital literacy resource that pairs 152 animated stories with a best-selling nonfiction eBook on a similar subject. These fiction & nonfiction pairs are designed to strengthen early literacy skills while exposing young learners to real world concepts.
