This Agreement is made between the Board of Education of the **Eaton Community City School District** (District) and **Weswurd, LLC** (Weswurd) the exclusive provider of services to assist the District in obtaining reimbursement for Medicaid-eligible expenses incurred under the Ohio Medicaid School Program (OMSP) for claims with dates of service from **July 1, 2022 through June 30, 2025**.

DEFINITIONS

CMS – Centers for Medicare and Medicaid Services

OMSP – the Ohio Medicaid School Program; sometimes referred to as MSP

ODM – the Ohio Department of Medicaid

ODE – the Ohio Department of Education

OAC – the Ohio Administrative Code – rules for OMSP

ORP – Ordering, Referring, Prescribing mandate from federal Medicaid was addressed in Ohio Administrative Code rule 5160-1-17.9 to comply with new program integrity regulations contained in Section 6401 of the Patient Protection and Affordable Care Act (ACA). There is no ORP in MSP. Therapists can only REFER services and; therefore, are being asked to comply by becoming Ohio Medicaid Providers.

RMTS – Random Moment Time Study – the RMTS is an **integral** part of the OMSP. It allows state departments, school district Medicaid programs and other eligible public agencies to accurately document staff activities relating to reimbursable Federal programs. All employed staff delivering services under the OMSP must participate in the RMTS each quarter.

Medicaid School Program Cost Report (CR) – An OMSP required financial report completed annually by each participating Medicaid Provider (each city, exempted village, and local school district). The report documents the actual costs the OMSP Provider district incurs for the Medicaid eligible services delivered. This report serves as the basis for ODM to final settle the Total Cost Reimbursable amount against the Interim reimbursements already received by the Medicaid

Provider. Annual settlements are paid by the District or rebated by the State based on the findings of this report.

Electronic Signature (e-signature) – an electronic signature is intended to provide a secure and accurate identification method for the signatory to provide a seamless transaction.

EDI – Electronic Data Interchange – “Electronic data interchange (EDI) transactions” are transactions developed by standard development organizations recognized by the federal Centers for Medicare and Medicaid Services (CMS) and adopted by the Ohio Department of Medicaid (ODM).

Trading Partner Agreement – A trading partner, as defined in the Ohio Administrative Code (OAC) 5101:3-1-20.1 is a covered entity (CE) that submits, receives, routes, and/or translates EDI transactions directly related to the administration or provision of medical assistance provided under a public assistance program.

Services listed in OAC 5120.35.05 & 5120.35.06 – The services listed in these two sections of the OMSP rule are Occupational Therapy services, Physical Therapy services, Speech & Audiology services, one-on-one Nursing services, School Psychology services, Mental Health services, Transportation, and reimbursements for Medical Supplies.

OMSP Service Documentation – daily documentation that supports the delivery of a service delivered under OAC 5120.35.05 & 5120.35.06. All services submitted to ODM for reimbursement must be supported by documentation that contains a description of the service, procedure, and method provided to the Medicaid recipient.

Compliance Auditor – One who ensures compliance with regulations and controls by examining and analyzing records, reports, operating practices, and documentation; recommending opportunities to strengthen the internal control structure.

IN CONSIDERATION OF their mutual promises, the **District** and **Weswurd** agree as follows:

MSP COORDINATION OF PROGRAM & SERVICES
