## 2022-2023 Profile for University Applications

### ABOUT YIS

Yokohama International School (YIS) is an **independent, co-educational pre-K-12 day school** established in 1924. We have a **non-selective admission policy** and do not offer academic scholarships. Our high school programs provide academic **rigour, balance, and challenge** and we celebrate the success of each student individually, independent of the achievements of other students.

### STUDENT BODY AND FACULTY

With students of 50 different nationalities and faculty and staff from 18 countries, internationalism is at the heart of our school culture. Approximately 30% of our students are new to YIS each year, while the average faculty tenure is eight years. We have 750 students in the Early Learning Center through grade 12. There are 288 students in grades 9-12, and 63 students in the class of 2023.

### SCHOOL PROGRAMS AND DIPLOMA PATHWAYS

**YIS Diploma with full International Baccalaureate Diploma**

**YIS Diploma with International Baccalaureate Courses**

**YIS High School Diploma**

YIS offers Reggio Emilia, International Baccalaureate Primary Years (PYP), Middle Years (MYP), and Diploma Programs (IBDP).

### GLOBAL CITIZEN DIPLOMA

The GCD enables students to qualitatively describe their whole learning in the context of becoming a global citizen and making a contribution to the world. By using a process of deliberate reflection, students are required to re-examine their experiences, synthesize their learning, and make sense of their education as they arrive at a deeper understanding of themselves. The GCD is designed to recognize all that students do to learn, in class, in the wider context of school, and in the world beyond. See [GlobalCitizenDiploma.org](http://GlobalCitizenDiploma.org) for more information.

### STUDENT ENGAGEMENT AND SERVICE LEARNING

Service is an integral part of the learning experience at YIS. It involves our community as leaders, learners, guardians and citizens. Through service we develop empathy, gain knowledge of real needs, enter into mutually beneficial relationships and take action. The athletic program is an important part of a carefully crafted, balanced approach that aims to contribute to students' physical, social and emotional well-being, with students able to participate in 18 different competitive athletic activities.

### GRADUATION REQUIREMENTS FOR THE CLASS OF 2023

The YIS HS Diploma is accredited by NEASC and represents the successful attainment of 23 Carnegie Units.

Note: Most YIS graduates earn 25 or more Carnegie credits by the end of grade 12.

In Grade 11 and 12, **all classes are taught as IBDP classes**. This includes classes for students who are not pursuing the IBDP. **YIS does not weight GPA and does not rank students or provide percentile/decile information**. Students are assessed on a 1-7 scale, and GPA is out of 7 accordingly. YIS does not compare IB grades with grading systems from other schools or countries. **Global Citizen Diploma and Diploma with Distinction** achievements may be listed, pending graduation.
