

## Closings and Alerts

Decisions concerning school closings, delays, and school bus operations relative to inclement and/or hazardous weather conditions or relative to any emergency will be made at the earliest possible time in order to ensure the safety and convenience of our students, families and staff.

Announcements of these decisions can be heard on the following radio and television stations. You can click on the TV station below to take you directly to their school closings page.

The **Infinite Campus Messenger** is a free service which will notify you of special announcements and important alerts by phone, email, cell phone or text message. Parents and guardians familiar with the Infinite Campus Parent Portal can login through the portal to update how to receive messages. If you have never logged in to Infinite Campus, please contact your child's school for instructions on how to get started.

Once you have signed in to Infinite Campus, you may easily set which alerts you want and where you want them. (For example, if you want "General" messages - about games and after school events - to go to text, you may choose those preferences so that no voice calls will be made for those events.) We encourage you to receive all messages in at least one format. We understand that some "General" calls will not pertain to you or your interests, but you could miss out on vital school activities, deadlines, and reminders. We recommend that you set up "General" notices to at least go to text or an email account.
