## World Mental Health Day - Monday 10th October

To mark World Mental Health Day on Monday 10th October, we will be supporting [Young Minds](http://www.youngminds.org.uk), a children's mental health charity. As part of their #hellowyellow campaign we ask children to come to school wearing a yellow accessory such as a tie, socks, hair ribbon, etc and in exchange we ask for a £2 donation to Young Minds.

The mental health of many children and young people has suffered over the last two and a half years.

Let us raise funds for this excellent charity and show young people that how they feel matters and that they are not alone with their mental health.

## Years 7 and 8 in Normandy

Year 7 and 8 have enjoyed a fabulous action packed week in Normandy. Their days have been filled with activities including the extremely popular mud assault course, archery, climbing,

orienteering and baking bread, all carried out with instructions only in French. Highlights were dressing in French costumes for the Soirée Française, an evening visit to the Mont Saint-Michel and a day trip to Bayeux and Arromanches to visit the Bayeux Tapestry, the D Day museum and a war cemetery. Catch up with everything they have been doing on Facebook. They are on their way home and we look forward to having them back in school next week.

## Macmillan Coffee Morning

Thank you very much to all the parents who came to this morning's coffee morning or bought cake after school in aid of Macmillan Cancer Support. We raised over £360 for this incredibly worthwhile charity thanks to your generosity. A huge thank you too to all the staff who made the delicious cakes.

## Tonight Matthew, I'm going to be...

Rob Upton's latest blog can be found on the School website. The following is a taster:

I used to really enjoy watching "Stars in their Eyes" on the television. The show premiered on 21st July 1990 and initially ran until 23rd December 2006. Originally presented by Leslie Crowther, Matthew Kelly took over in May 1993 and was later replaced by Cat Deeley in April 2004. Each week individuals would enter the studio and chat to the presenter about their day job and give a clue as to their musical idol, before announcing, "Tonight Matthew, I'm going to be..." They would then leave, later to appear through opening doors amongst a cloud of dry ice, dressed up to resemble their chosen singer. It was magical! It was also an indication of aspiration to some extent.

All children will also have an individual photo taken and children will go to the Gym with the rest of their tutor group for these. Children will again be given the time for their photo by their form tutor.

Please ensure that children come to school in their full uniform, **including blazers**.

They may also bring in their own brush or comb for their hair if necessary.

Photographs are taken with jumpers off and blazers on. School colours and badges can be worn on blazer lapels, but any non-school related badges should be removed. Hair should be worn as per school rules.

Some of our current Year 7 and 8 pupils will also be at the meeting and parents will have the opportunity to hear from them and ask them questions.

The meeting is aimed particularly at parents of children in Years 3 to 6 but is open to anyone and children are welcome to watch too.

## Harvest Festival Celebration

Our whole school Harvest Festival Service will take place on Friday 14th October at 9.00am and we would be delighted to welcome parents to join us for this special celebration.

## Congratulations to ...

**George (6AT)** took part in the Discover Laser Run National Finals held at The University of Bath Sports Complex. The event was organised by Pentathlon GB.

George finished 5th in his age group against competitors from all over the UK. Many congratulations, George.

## **Toby (4GHC)**

who was awarded his Chief Scout Bronze Award whilst on a cubs visit to RAF Odiham. He received his award inside a Chinook helicopter with all of his cubs friends. The Bronze Award is the top award a Beaver Scout can achieve and Toby worked very hard (while having fun too) throughout the COVID lockdowns to achieve this goal. Well done, Toby.

## Dyslexia Awareness Week

Dyslexia awareness week is Monday 3rd October to Sunday 9th October. This year's theme, 'Breaking through Barriers' looks at how those living with dyslexia often feel like they are presented with barriers in their lives. The British Dyslexia Association will be shining a light on these barriers through the experiences of those with Dyslexia.

At Yateley Manor we will be sharing some of these stories and interviews with our pupils throughout the week to raise our awareness of this specific learning difficulty.

## Friends of Yateley Manor School (FYMS)

Friends of Yateley Manor (FYMS) are actively planning our Christmas events and this year we are going bigger and better than before! Be sure to have the following dates in your diaries for when ticket sales go live.

Wednesday 12th October: **FYMS Social Evening.** Come and meet some of the team, find out more about what we do and how you can get involved. Everyone has something to contribute and we work very much as a team. You don't need to be part of the formal committee to get involved either.

Saturday 12th November: **Barn Dance at Meade Hall** with a BBQ and dancing from 7.30pm (adults only). This is a great opportunity for parents to come together and catch up with friends and make some new ones. The food is excellent and the band are brilliant! Please do come along and support us. This is not a couples event and perfect for a ladies or lads night out. Tickets are available now!!

Saturday 3rd December: **A Winter Wonderland** is coming to Yateley Manor. Parents can shop for Christmas gifts in the Fyson Blum Christmas market, take a turn on the chocolate tombola and children can make reindeer food. The children can also have their Christmas photograph taken in our winter wonderland scene in the studio, where they can also write a letter to Santa and do some colouring. Tickets will be available to book for a visit to Santa and this year whilst you wait, there will be hot chocolate available and a chance to toast giant marshmallows. Santa will be in his Lappish teepee ready to meet and greet the children and give them a present for coming along. Yummy Christmas themed food will be available to purchase courtesy of our amazing catering team, with hot and cold drinks available too. There's still more to come so watch this space and save the date! (continued on page 5)

## Winter Uniform

### Reminders

Parents are reminded that all pupils should be in winter uniform for the second half of the Autumn Term and throughout the Spring Term.

- Skirt uniform for children up to Year 6 is the school kilt (or school pinafore for Year 1, Reception, and Nursery girls), white shirt, school tie and grey pullover with plain grey socks or tights and black shoes.
- Trouser uniform for children up to Year 6 is grey trousers or shorts, white shirt, school tie and grey pullover with plain grey socks and black shoes.
- Variations apply to the Nursery and Reception, senior school pupils and prefects.
- All pupils should look smart and tidy.

Please also remember to clearly name all uniform so that it can be returned to the owner if it gets lost. It is impossible to reunite unnamed items of uniform with their owner.

## Inter-House Poetry

### Competiton

Children and parents are reminded that the Inter-House Poetry Competition will be taking place next week so there are only a few days left for the children to perfect the lines of their poems.

Children will be given the opportunity to perform their poems during English lessons next week and they will be assessed on poetry challenge, clarity, expression and engagement, and memory. Everyone who takes part will earn points for their house as well as developing their public speaking abilities and confidence. We look forward to a lovely week of poetry and performance.

## Charity Car Show

**Mr Michael**, from our Maintenance Team, was thrilled to have raised enough money, thanks in no small part to the Yateley Manor Community, for his bionic 'Hero Arms'. He is now helping to fund raise for Hero Arms for three children whose lives will be transformed by them. He is organising another Charity Car show in the School Car Park on Sunday 23rd October. The show will feature Hotrods, American and Classic Cars. Pop down from 10.00am on the day to take a look. [More information can be found here.](#)

## Year 3 Visit Butser Ancient Farm

Year 3 had an exciting day at Butser Ancient Farm discovering what life was like for Iron Age Celts.

After exploring a Celtic roundhouse, the children had great fun taking part in many Celtic activities. Using impressive teamwork, the children wove hazel branches to create a fence (wattling), before spinning sheep wool to make yarn. Later on, they experienced life as an archaeologist, digging up and investigating many artefacts. Finally, it was time to get mucky when making clunch as the children crushed chalk and mixed it with mud, straw and water to create some daub which they then used to build part of an authentic Celtic wall.

They really learnt a lot and had a super day.

## Year 4's Trip to Ufton Court

Year 4 had a wonderful trip to Ufton Court to learn about life in Saxon England. The children were amazed by the different herbs they collected and used to make their own Saxon medicine to protect against the plague. When investigating Saxon artefacts, they employed their best detective skills to try to work out what materials were used and why.

After lunch everyone loved taking part in the crime and punishment drama session, where the children passionately put their cases forward in court and discovered that punishments were very harsh indeed.
