From the Principal...

Our 8th Grade scholars enjoyed this beautiful Fall day at the Statehouse in Montpelier where *Vermont Students Against Racism* put on a daylong conference for Middle School students. It was a very rewarding experience for our scholars and I look forward to hearing all about it next week.

Earlier this week our 5th Grade scholars went on a field trip to the Hood Museum at Dartmouth College in Hanover, NH. This visit to the Hood Museum taught our scholars to foster critical thinking, communication, collaboration, and creativity while learning to nurture wonder and curiosity. Our scholars were wonderful representatives for our school and were recognized as being kind, respectful and curious.

The first dance of the new school year is scheduled for tonight and yes, our Middle School scholars are very excited! The theme of this dance is *Decades*; sporting your favorite decade attire will drop your admission to \$4. Parents, please drop your 6-8th grader off in the circle at 7:00pm and plan to pick them up promptly at 9:00pm. This dance will be held outside on the basketball court, so please dress accordingly. The dance entrance will be the side parking lot. Refreshments will be sold and all proceeds will go to the Class of 2023.

We will celebrate Grandparent's Day with a special lunch on Thursday, October 6th. Please see the [Grandparent's Day Reservation Form](#) for more information and to let us know if your grandparent's will be joining us for this very festive event.

Our Fall fundraiser is in full swing. The window for sales will go through Monday, October 10th. You can expect your orders to be delivered prior to our Thanksgiving break. Orders placed online will be delivered directly to the home of those who place an order. All other orders will be delivered to the home of the seller. We will rely on the proceeds of this fundraiser to support the various activities we host throughout the year and we appreciate your support!

With the change of seasons, the chilly weather has arrived; please be sure your child comes to school with clothing that will keep them warm while they are outside.

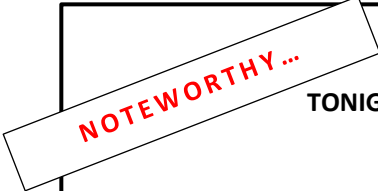

Sincerely,
Carlotta Perantoni

Please Support Our Class of 2023!

The 8th Grade is doing a Coin Drop tomorrow Saturday, October 1st at the Topsham Transfer Station.

8th Grade scholars will happily accept any loose change that you have with you when you go to the dump Saturday morning. All proceeds will go towards their 8th Grade class trip.

We look forward to seeing you there and thank you for the support!
