

PARENT ASSOCIATION

Benilde-St. Margaret's

The BSM Parent Association is dedicated to building a strong and supportive community for parents, students, and faculty/staff by organizing a variety of events and programs throughout the year.

The dedication of our parent volunteers allows our community to welcome new families, provide speakers for parents and students, support and celebrate our faculty and staff, organize social events, and raise money to make our programs accessible to ALL members of the BSM community.

All BSM families are encouraged to attend Parent Association events and get involved with volunteer opportunities throughout the year.
