

An after school club for students in grades K-3 who love hands-on creativity and critical thinking.

What is Makerspace?

Makerspace is a place where students can gather to imagine, create, explore and problem-solve using a variety of supplies and materials.

- * When - Every Thursday from 3:00-4:00 (We are rotating grades each week, so please see the PIE Memo calendar for the schedule.)*
- * Where - the Library*
- * Cost - \$15 per session, check made payable to MCDS due on arrival*
- * Supervising teachers - Mrs. Corio & Miss Lena*
- * Pick-up - Park in the lot and we will dismiss out the door by the Art/PreK rooms*
- * Please send a snack so that all inventors are energized and ready to create!*
