Good evening Louisville families,

This is Superintendent Michele Shaffer. Can you believe it's back-to-school time already? There is nothing better than seeing students and staff fill our hallways and classrooms. This is sure to be a great year as we continue to empower students and engage our community to create endless possibilities.

I just wanted to remind you that our PreK-8 Meet the Teacher nights begin this week. We design these evenings to help make the first day of school less stressful. These dates and times— along with any and all back-to-school information, can be found on our website and social media channels.

As we head back to school, we'd love for you to consider volunteering in our buildings or on our Good Morning Crew. One of our top priorities is to create a positive, welcoming school culture, and we believe you can help make this possible! If you are interested in volunteering at Louisville Elementary or North Nim Elementary, please contact the school's office. If you're interested in being a part of our Good Morning Crew, which asks volunteers to be a friendly face as students arrive on school days for approximately 20-30 minutes during morning arrival (at any building), please call the administration office at 330-875-1666.

We are excited to kick off another school year and can't wait to see everyone at our back-to-school events! Enjoy the last few days of summer. We'll see you soon!
