HOW TO GET YOUR IMAGE REMOVED

If you're under 18, live in the UK and a nude image or video of you has been shared online, you can report it to be removed from the internet. You'll need to select your age and follow the steps below:

- create a Childline account so we can send you updates on your report
- report your image or video to the Internet Watch Foundation (IWF)
- check your Childline locker for a few days after your report to see if you need to add any more information and to see updates on your report
- report any issues with this process by sending an email from your Childline Locker with the subject 'Report Remove' and as much information about the problem as you can.
