Principal's Den

Dear LES families,

It's hard to believe the first 9 weeks of school is almost complete! Everyone is settled in and the year is off to a great start.

As the school year progresses, student attendance issues sometimes pop up. Good attendance in school is an important indicator to academic success for your child. If possible, please plan family trips during our school breaks so unexcused absences do not accumulate. When your child is out due to illness, be sure to send in a note when your child returns so the absence will be counted as excused. By law, schools have a tiered system in place for attendance. The FSSD attendance policy can be found by clicking on the link below. Thank you for your partnership as we work together to keep our attendance rate high!

Liberty Elf

Our LES family takes care of each other! This holiday season our Counseling Department will once again host the "Liberty Elf" program. In October, qualifying LES families will receive a Liberty Elf participation form from School Counselor Ms. Wessels. From mid-November to early-December, LES faculty, staff, and families will be invited to contribute gift cards that will make the holidays a little brighter for members in our school community. Keep an eye out for a Sign-Up Genius link later this fall to pledge your gift card contribution!

Upcoming Events

October 3

Parent/Teacher Conference window opens

October 5

Picture Re-takes
