

EMPLOYEE RETIREMENT BENEFIT

What is a 403(b) Savings Plan?

A 403(b) is a voluntary retirement plan that allows you to save money in a pre-tax (Traditional) or after-tax (Roth) account. Contributions to the plan are salary-deducted from your paycheck and automatically deposited into your 403(b) retirement savings account. Early withdrawals from a 403(b) account are subject to a 10% early withdrawal penalty. TCG is the 403(b) plan administrator—managing your contributions, distributions, and personal updates. Money and investments are held with the vendor of your choice.

To get started, visit www.region10rams.org/enroll and find your employer's 403(b) Approved Vendor List. Open an account by contacting one of the approved 403(b) providers directly. Next, register access to your RAMS 403(b) administration account with enroll@region10rams.org and set up salary deferrals at www.region10rams.org.
