

Vision and Mission

The **Vision** of the Hillsboro Independent School districts School Health Advisory Council is “Healthy Schools, Healthy Homes, Healthy Kids, make Better Learners”

The **Mission** of the Hillsboro Independent School Districts School Health Advisory Council is “To Advocate for high quality comprehensive school health programs for all students”.

The **Goal** of the Hillsboro Independent School Districts School Health Advisory Council is “To provide a safe and nurturing learning environment whereby all students’ gain a sense of self-worth and develop and maintain lifelong healthy behaviors”.

To **achieve** the goal, the Hillsboro Independent School districts School Health Advisory Council will engage in ongoing review, discussion and recommendations for comprehensive school health education programs to include:

- ✓ Promoting quality health education programs
- ✓ Modeling and encouraging the achievement of lifelong physical fitness
- ✓ Enhancing school health services
- ✓ Encouraging and providing healthful nutrition
- ✓ Supporting social and emotional well-being
- ✓ Creating safe and positive learning environments
- ✓ Promoting faculty and staff wellness
- ✓ Encouraging school, family and community involvement
