Each school receiving funds under Title I Every Student Succeeds Act (ESSA) must develop a written school-parent compact jointly with parents for all children participating in Title I activities, services, and programs. That compact is part of the school's written parental involvement policy developed by the school and parents.

The school and the parents of the students participating in activities, services, and programs funded by Title I must outline how parents, school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the state's high standards.
