Referral from the Town Planner:

1. **27 Park Road & 14 Ringgold Street** – Study session preparatory to the submission of an amendment (potentially administrative) to Special Development District #145 also known as One Park. The applicant is contemplating a series of site, landscaping and architectural changes to the plans originally approved by the Town Council in January of 2019.

Mr. Dumais introduced the application. The applicant outlined all of the proposed changes to the previously approved project. Overall, the DRAC was extremely pleased that the changes did not represent a degradation in the quality of materials proposed to be used and that all of the changes being requested are in keeping with spirit of the original approved design. The DRAC did express some minor concerns about noise attenuation and screening for the generator.
