ELITE COLLEGES

As a Marian Catholic student, you will be constantly challenged in the classroom. Our curriculum is no-nonsense and has one specific goal: to prepare you for the academic rigors of college. If you accept the challenge, you will have access to elite colleges and universities you never thought possible. In fact, one in four of our graduates attend a top 100 college or university. So go ahead, pick out that dream college or university. After four years of hard work, it just might become a reality.

FACULTY

It won't take long for you to discover Marian Catholic's faculty is a cut above the rest. While it's true that 81% of them hold advanced degrees and they know their subject matter inside and out, what really sets them apart is their unwavering passion and dedication to your success. There isn't a teacher in our school who wouldn't go the extra mile to make sure you are the best student you can be on a daily basis. Your successes are their successes, and that's what drives them day-in and day-out.

ATHLETICS

When you choose to be a student-athlete at Marian Catholic, you are choosing to become part of a strong tradition of competition and success. A tradition that demands your best effort and finest display of sportsmanship when representing the Spartans on and off the field. Over the past five years, we have been fortunate enough to send 95 student-athletes to play at the college level. So whether you are looking for a high school career or have aspirations for something more, Marian Catholic athletics has you covered with first-rate coaches and top notch facilities.

TECHNOLOGY

1:1 iPad program since 2014

Esports gaming lab with Alienware software

Marian Catholic is on the cutting edge of technology and the leader amongst high schools in innovation and student accessibility. We are one of the few schools in Illinois to offer a three-year engineering program for sophomores, juniors, and seniors. Our state of the art engineering lab features 3D printers, a Universal laser cutter, and a CNC machine for milling and carving wood. A student and faculty favorite is our soundproof studio with green screen capabilities, which is used for broadcasting the news, recording special segments, and producing creative classroom videos.

FINE ARTS

Whether you act, sing, draw, or want to participate on our extremely successful speech team, Marian Catholic Fine Arts has something for everyone who loves to perform or create. First time on stage? No worries. Our fine arts program is filled with students who have never been involved in performing before coming to our school. Looking to sculpt or paint? The visual arts are alive and well at Marian Catholic and will get your creative juices flowing with a variety of classes that will strengthen your personal portfolio.

BAND

Being a member of the Marian Catholic Band means you'll be part of one of the most successful and highly decorated bands in the country. National and state championships will be your goal as you navigate your way through marching season, which culminates at the Bands of America Championships in Indianapolis.
