

Emergency Contacts and Release of Children

We are committed to the safety of the children we serve. We recommend at least three (3) emergency contacts who are authorized to pick-up or be contacted in the absence of the parent/guardian. Children will only be released to parents/guardians and authorized persons designated on the emergency contact form. Individuals listed must have a photo I.D. to pick-up the child and be at least 16 years of age. For their safety, children will not be released to anyone exhibiting signs of intoxication or medical distress. Staff will work with parents/guardians to ensure a safe departure.

Parents/guardians are responsible for ensuring that all emergency contact information is kept current. Any changes or additions must be made in writing and submitted to the school/childcare center and Family Service Staff.
