

## *Emergency Services and Community Resources*

In an emergency dial 911. An emergency is any situation that requires immediate assistance from the police, fire department or ambulance.

2-1-1 Virginia is a free service that can help you find the local resources you need, 24 hours a day, seven days a week. You can find out information online at [www.211virginia.org](http://www.211virginia.org) or dial 2-1-1 to speak to a contact specialist.

Looking for child care? Visit Virginia Child Care and find useful information for parents, providers and communities on the importance, benefits and standards of safe, quality child care. You can also search for a child care provider near you. [www.childcareva.com](http://www.childcareva.com)
