## Widening Advancements for Youth

### Words from the Director - James Middleditch

---

Hello Parents and Students!!

I hope that everyone had an amazing start to the 2022-23 school year. The Virtual Cohort Live Lessons have started and have been going well. We have a handful of students that are doing Dual enrollment this fall. Also, we are beginning our Fall E-Sports season for the E-Sports club. Below are some important announcements:

Count Day is Wednesday October 5<sup>th</sup>. It is important that your student logs in and completes at least one step in a project for each of the 6 classes on their learning plan. Mentors have been working with students to pick their projects. We have the Fall NWEA Map testing this month. We test from October 10<sup>th</sup> to 28<sup>th</sup>. This testing is important to help us know what additional supports your student may need to be successful at WAY. Please lookout for more amazing opportunities for your students coming soon. If you have any questions, please call us at 313-638-2716 or email us at [enroll@wayprogram.net](mailto:enroll@wayprogram.net).

I look forward to a super school year!

## Count Day

Leaves are falling off the trees and fall will soon be upon us. Besides pumpkins and cooler weather, Count Day will also soon be here. Count Day is October 5. On that day your researcher is **required** to do the following:

\*\* submit at least 1 step in **EACH** of the 6 classes in their learning plan. Their mentor will have sent them a list of suggested projects to work on and submissions must be completed between 12:01am-11:59pm

\*\* email their mentor to let them know which projects they have submitted steps for

\*\* attend their scheduled classes and submit the class work

Please have your researcher contact their mentor or team leader with any questions/concerns they have.

## College & Career Corner

### College and Career Corner

This month we have some exciting events planned. This month will be the first virtual college tour of the year. We will be visiting Oakland College on October 7th @ 2pm, all grades are encouraged to join in. We will also be hosting our resume workshop for 10th through 12th grade. On October 28th we will be hosting our Financial Aid Day at 10am, all grades are encouraged to attend. The links for all events are in the announcements on the Centric Homepage, and have been sent via email.

## WAY Parents

Hello, parents and guardians!

We are just about to host September's parent meeting, and that video link and presentation will be sent out before this weekend. The October parent meetings will take place on October 27 at 7pm. We are coming up on our first round of testing for the year. I will be sending information out shortly. Please feel free to contact me if you have any questions at all. Please remember that we are always looking for parents to join our school improvement meeting. If you are interested in joining, please let us know and we will send you that information as well.
