Retiree Testimonials

Here is what some of the UnitedHealthcare Medicare Advantage members are saying:

Lottie B, Administrator, and spouse

As a retired administrator, I was faced with a decision regarding my health insurance coverage. My husband and I attended a meeting in 2021 with representatives from UnitedHealthcare and Mrs. Gwen Theriot, employee of the St. Martin Parish School Board. We were given a detailed explanation regarding the advantages of participating in the UnitedHealthcare (UHC)/Medicare Program. Such advantages included membership to a health club, a reduction in monthly insurance costs, over the counter products every quarter resulting in a savings of \$80 for both my husband and me, vision and dental coverage, visits and tele-conferences via health providers and, most importantly, quality customer service provided by UnitedHealthcare representatives. Honestly, I can say the UHC representatives are extremely professional and are available upon calling the 1-800-457-8506 number provided.

During the initial meeting in 2021, I recall saying to my husband—“**this sounds too good to be true!**” We decided at the end of the presentation that we would participate. To this day, we have no regrets! My husband and I are extremely satisfied with UnitedHealthcare Services. I am providing this testimonial because my husband and I are fully satisfied with the services, and we want you to share in the wonderful benefits provided by UnitedHealthcare/Medicare.

Here is what some of the UnitedHealthcare Medicare Advantage members are saying:

Kathy B, Business Office

I was skeptical at first, since I was just turning 65 and not sure what to expect switching from the St. Martin Parish School Board UMR PLAN to this new plan. But I must say I researched the Dr's that Sandy and I currently see and made sure they were on the new Plan. I also called to confirm that my scripts and Sandy's were also covered. One of Sandy's Diabetes medications was not covered. They suggested something else for me to get with his Dr and he did, and he was able to switch with no cost to him for the new script whereas before with the UMR PLAN he had a 10.00 Co-pay.

- 1) One benefit I find was the membership at Anytime Fitness. I was paying \$41.00 per month for my membership. But since switching to this UnitedHealthcare Medicare Advantage Plan my gym membership is free.
- 2) Another benefit is the Over-the-Counter products. We both receive \$40.00 per quarter for over-the-counter products.
- 3) Another benefit is my eyeglasses. I just ordered new glasses. I will receive a \$130.00 refund on the script for my new glasses, which I should be able to get every 2 years.

Also, by switching to the new plan, it will cost me less for my Group Insurance. That will help now that I have to pay the \$170.00 for my Medicare.

Here is what some of the UnitedHealthcare Medicare members are saying:

Cheryl F, Educator

Now that I have been part of UnitedHealthcare Insurance, for the past year, I want to thank you for all the efforts you put toward making SMP's insurance program viable for retired teachers. Over the year I have taken advantage of the many benefits this plan offers. The "Over the Counter" program has saved me \$40.00 every three months on the items that I'd otherwise have to pay for such as, electric toothbrush, toothpaste, Q-Tips, and much more. When I went for my biannual check up at the dentist, I left without having to fork over a credit card, saving about \$380.00; additionally, I was told there was a \$1,000.00 per year allowance for dental work. My eye exam was also covered by UnitedHealthcare, with an allowance for glasses. The prescriptions that are covered by the plan are free. However, the 'icing on the cake' of this health care plan, is the exercise benefits that are offered through certain fitness centers. The exercise machines at Lourdes Fitness Center are free and for \$9.00 a month, I am able to participate in any of the fitness instructional classes such as Tai Chi, Water Aerobics, and Water Pilates.

Here is what some of the UnitedHealthcare Medicare members are saying:

Rosemary D, Nutrition

I am very impressed with the retirement insurance. I have used everything they have told us we would get. My husband and I go to the gym every morning where I also get to do Zumba, all for free. All generic medicines including chemotherapy drugs are all free and never had problems filling any prescriptions. The \$130 eye glass benefit was very easy to get. The dental was for cleaning, we paid half and they paid half which will now be twice a year for free. The \$40 over the counter drugs every 3 months were easy to get with just a phone call. I have used the insurance for surgery, Dr visits, urgent care, lab services, and all visits have been paid 100%.
