- Veteran's name
- Branch of service
- Years of service
- Honored by: (student's name)

Opening House Assembly

Kindergarten and new students found out their house at our opening assembly on September 16th. We also kicked off our ticket competition with some dice rolling fun.

On Fridays we announce the house with the most tickets. You can see the lead house's pennant hanging in the main office corridor (facing west).

Kindergarten Socktober

Our kindergarten classes are participating in Socktober. They will be collecting new socks throughout the month. All of our students and families are invited to join in the effort. Please view the video below to see our kindergarten students talking about Socktober.

It's Socktober at Roosevelt!!

Attendance + Engagement = Success!

Ohio schools must report student absences as part of House Bill 410. Schools are required to develop Absence Intervention Plans for students who exceed absence limits outlined in the law. Families will receive auto generated letters as notifications from the district indicating the number of hours your child has missed in accordance with these laws. Absences exceeding 38 hours in a month, or 65 hours in a year will require medical documentation in order to be considered excused. Should you have an ongoing medical concern, please contact our office.

Excessive Absence is defined as (1) absent 38 or more hours in a month with or without an excuse or (2) absent 65 or more hours in a year with or without an excuse

Habitual Truancy is defined as (1) absent 30 or more consecutive hours without a legitimate excuse, (2) absent 42 or more hours in one month without a legitimate excuse, or (3) absent 72 or more hours in one year without a legitimate excuse.

*Hours also include total number of minutes tardy to school and early dismissal.

Colder Weather is Coming

We go out for recess when the wind chill is **19 or above**. Please be sure your child is dressed for the weather. This includes: warm coat, boots, gloves, hat, etc. Please label your items.

If you are in need of winter weather attire, please contact Mrs.

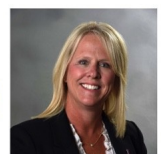

Schaefer for assistance.

Listen and Learn with the Superintendent

Please join Superintendent Maggie Niedzwiecki for her first Listen & Learn of the school year on Tuesday, Oct. 18 at 6 pm in the Ranger Cafe at Lakewood High. These one-hour informal sessions are a great way to stay updated on the District and to share your thoughts, ideas and concerns with the superintendent. Superintendent Niedzwiecki will share with the community the strides the District has made in instituting its Vision of a Lakewood Graduate and also introduce its new Vision of a Lakewood Educator. Feel free to drop in any time during the hour. Hope to see many of you there!

Lakewood City Schools announces its first

SAFETY & SECURITY DAY

Monday, October 17, 2022

This districtwide event will focus on training all Lakewood City Schools employees in various safety trainings including:

- ▶ **ALICE (active shooter) training**
with former Lakewood Police Officer Pat Fiorilli, executive director, Ohio Tactical Officers Association
- ▶ **Stop the Bleed training**
with District Nurse Katy Corrigan
- ▶ **Non-violent crisis intervention training**
with our Student Services staff

No School on Safety & Security Day

There will be no school for all students so that we can continue to be proactive in our approach to student and staff safety.

Arrival and Dismissal Safety and Reminders

Please follow the guidelines below to ensure safe arrival and dismissal for all:

- Remain in your car during arrival and drop off. If you need to exit your car, please pull up to the gym so as to not hold up the line behind you.
- Arrange for your child to exit or enter from the passenger side along the sidewalk.
- At dismissal, our south facing doors are only intended for families who walk home from school. Adding additional traffic on Bayes creates unnecessary congestion and an extremely unsafe situation for our families and neighbors. It also blocks residents from accessing their driveways.
- Review important pedestrian safety with your children including awareness of surroundings, looking left-right-left, use of sidewalk and crosswalks and crossing guard. [Click here for more information.](#)
- Follow all traffic rules and signs.
- Students who wish to play on the playground after school **must** be supervised by a parent/guardian. The playground is closed when it is being used by our YMCA aftercare program. This is usually between 4pm and 5pm, although it can vary.
- Be sure your child knows how he/she is getting home daily, and keep it consistent. If you have a change, please call our office before 2:30pm.
