Directed Growth Plan:

A Directed Growth Plan may be created for an employee who needs improvement and/or who may benefit from more support. This plan provides a good-faith effort to support and guide the employee to effectively meet the standards set forth in the rubrics.

The Directed Growth Plan process may be initiated at any time throughout the year. The administrator shall provide a written identification of the problem and expectations for improvement in performance based on the identified problem area.

This plan will include:

- Specific measurable goals relating to areas needing improvement
- Action steps/strategies for resolution of concerns.
- Resources needed to accomplish goals
- Timeline for completion

Progress toward meeting the goals as outlined within the plan will be monitored and documented. If the goals are met at the completion of the timeline, the employee will no longer be on a Directed Growth Plan.
