

Position Title: Oregon Conservation Corps Crew Member (Forest Technician)

Non-Discrimination Notice: Phoenix School of Roseburg does not discriminate against students, board members, staff members, volunteers, or program participants on the basis of race, color, sex, national origin, age, religion, marital status, disability, veteran status, sexual orientation, gender identity or gender expression, race, creed, sex, sexual orientation, age, religion, marital status, national origin, political affiliation or mental or physical handicap.

Position Location: All Oregon Conservation Corps staff will be required to report daily to the Phoenix School campus (3131 N.E. Diamond Lake Boulevard Roseburg, Oregon 97470), this twelve-acre campus is located on the urban growth boundary of Roseburg, a city (population 21,000) located along Interstate 5, ninety minutes equidistance to the Oregon Coast to the west and the Oregon's high Cascades to the east. Project sites generally vary throughout the Umpqua Basin on various private lands.

Position Summary: This temporary training position is field based and crew members will be working in the outdoors primarily. Applicants should have a strong interest in ecological restoration, forest management, biodiversity conservation, and/or stewardship of the land. Forest Technician crews' work activities are focused on assisting private landowners with fuels reduction in the wildland urban interface. Work sites will be defined by our partners in the State Fire Marshal's office and the Douglas Forest Protective Association. All employees hired for temporary training positions are exempt from state unemployment insurance.
