TUTORING & PROGRAMS AT LHS

We offer math tutoring every period of the school day. Students who are in need of tutoring, ACT prep, or state test prep are encouraged to go to the Math Lab during their study hall. Please let your child's guidance counselor know if they are in need of math tutoring, so arrangements can be made to get help.

We've partnered with Mount Union to create Saturday Academy, which provides students with an extra opportunity to work with staff members to make up missing assignments and quizzes, receive extra tutoring, etc. on Saturday mornings from 8:00-10:30 a.m.
