Welcome to the WPHS Community Service Program....now online. We commend you for your interest in volunteering your time and energy to your Community.

In addition to this description page on this site, we have included separate links on this webpage to access the Application/Enrollment form and the Service Time Log form which are necessary to participate in the Program and to receive recognition and transcript Community Service credit. Remember this service can be done anytime during your career at White Plains High School, including summers. Please complete each form as indicated and return to Mrs. Geiger.

Upon completion of a minimum of 60 hours of volunteer activity you will receive one-half (.5) credit on your transcript for Community Service. This credit is ***in addition*** to the 22 credits required for a White Plains High School diploma. Community Service credit will be awarded according to the following guidelines:

- 60 hours of volunteer activity earns one-half (.5) Community Service Credit for that school year and will appear on the student's transcript.
- 120 hours of volunteer activity earns one (1) Community Service Credit for that school year and will appear on the student's transcript.
- Each student can earn one (1) Community Service Credit per school year for a maximum of four (4) such credits over the course of grades 9-12. **This credit is elective, non-academic credit that cannot be used toward graduation.**

The Community Service Program is available to assist all interested students - individually or as a group - with placement opportunities. For more information email Program Coordinator Mrs. Geiger – wphscommunityservice@wpcsd.k12.ny.us.

Good luck!
