

What is a School-Parent Compact?

A *School-Parent Compact for Achievement* is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop these skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The parents, staff, and students of Rosville Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies; parents added ideas to make them more specific and students told us what would help them learn. Meetings and surveys are held each year to review the Compact and make changes based on student needs.

Parents are welcome to contribute comments at any time.

If you would like to *volunteer, participate, and/or observe* in the classroom, please contact our Family Engagement Coordinator, Jennifer Silecchia, at (706)866-5901 or jennifersilecchia@walkerschools.org

Building Partnerships

Join Us for our Learning Adventure Nights!

What's Brewing in each grade?

Families are invited to join us for an informative meeting about their child's grade level goals and expectations during the month of September. Parents will receive online learning resources, reading/math tips, and a fun learning game to use at home.

Fall Community Block Party

Join us for our Community Block Party at RHS. Reading/Math activities, resources, and tips will be shared. Get to know the community and all that it has to offer.

Winter STEAM Night

Join us for our Winter STEAM night where your family will participate in science, technology, engineering, art, and math activities. Learning tips and resources will be available.

Spring Reading/Literacy Luau-

Join us for our Reading and Literacy Luau this spring. Your family will participate in fun reading/literacy activities and receive learning materials, tips, and resources.

Communication About Student Learning

- Phone calls/Text
- Emails
- Notes in agenda/Folder
- Parent/teacher conference
- Newsletters
- Class Dojo

Our Goals for Student Achievement

Walker County Goal

During the 2022-2023 school year, Walker County Schools will see a 3% increase from fall to spring in the Reading MAP Median RIT score.

2022-23 School Goal:

At the end of the 2026 school year (five-year goal), we will see an 8% increase on the MAP Mean RIT Score as compared to the scores received on the Spring 2021 assessment.
ELA Performance Indicator from the 2021 Spring score Mean RIT was the following:

3rd grade: Spring 2021 = 192.6 Mean RIT (58 students tested) Goal: Spring 2026 = 208 Mean RTI in ELA
4th grade: Spring 2021 = 196.9 Mean RIT (65 students tested) Goal: Spring 2026 = 212.65 Mean RTI in ELA

5th grade: Spring 2021 = 201.7 Mean RIT (66 students tested) Goal: Spring 2026 = 217.83 Mean RTI in ELA

At the end of the 2026 school year (five-year goal), we will see an 8% increase on the MAP Mean RIT Score as compared to the scores received on the Spring 2021 assessment.

Math Performance Indicator from the 2021 Spring score Mean RIT was the following:

3rd grade: Spring 2021 = 194.4 Mean RIT (60 students tested) Goal: Spring 2026 = 210 Mean RTI in Math

4th grade: Spring 2021 = 201.1 Mean RIT (65 students tested) Goal: Spring 2026 = 217 Mean RTI in Math

5th grade: Spring 2021 = 209.2 Mean RIT (66 students tested) Goal: Spring 2026 = 226 Mean RTI in Math

In the Classroom

- Rossville Elementary teachers will work with students and their families to support students' success in all academic areas. Some of our key connections with families will be:
- Provide monthly newsletters that show what is happening in the school and classroom. These will be shared by teachers and posted to our school Facebook Page & Class Dojo.
- Promote open communication between students, parents, and teachers.
- Celebrate big and small successes daily.
- Offer Family Learning events that focus on learning in a fun and creative way.
- Share student standards and goals at family events.
- All grade levels will send home library books on the student's grade level.

At Home

- Openly communicate with teachers.
- Checking folders/agenda each night.
- Checking Class DOJO
- Help your child read fluently by reading with or listening to your child read each night.
- Practice math facts.
- Try to attend Family Learning Nights and events to learn new ways to help my student.
- Look for the class newsletter each month to see what my child is learning and how to help them.

Rossville Elementary Students

Rossville Elementary students worked with faculty and staff to come up with ways that they can help in the partnership for success. Students recommended the following things that they can do to help the partnership:

- Bring home newsletters and notices about workshops, family learning nights, and other Parent Involvement events and encourage my parents to attend.
- Ask my parent for help with my school work and homework, and show them how I am doing it.
- Ask my parent to read to and with me every night.
