These plans are and have been available and accessible to the public at each individual facility as well as the Office of the Business Administrator, Central Berkshire Regional School District, 254 Hinsdale Road, P.O. Box 299, Dalton, MA 01227-0299 for the years starting in 1989 to the present.

Renovation and reorganization have provided for many changes in the District's usage of school buildings since the management plans were initially put together. The list of school buildings included in the management plan is updated as follows:

No longer in use as a school building:

Book A: Adm. Bldg. – Center Block
Book A: Crane Community School - Windsor
Book F: Nessacus Middle School - 120 First Street, Dalton
Book H: Central Office Building – 20 Cleveland Road, Dalton
Book I: John Naughton Diagnostic Center
Book C: Berkshire Trail Elementary School

1. All identified ACBM removed from school building (friable and non-friable) during renovations.
Book B: Becket-Washington School
2. Only non-friable ACBM remain in school building
Book D: Craneville Elementary School (only in crawl space slab where it was enclosed using hydraulic cement)
Book E: Kittredge School
3. Statement that interior finish work on building did not include asbestos containing materials
Book G: Wahconah Regional High School
4. Statement that interior finish work on building did not include asbestos containing materials
Book H: Central Office Building at 254 Hinsdale Road, Dalton
5. Statement that interior finish work for Nessacus Regional does not include asbestos containing material
Book H: Middle School at 35 Fox Road, Dalton
