

# Asheville School

## **2022-2023 Community Weekends**

The following dates are reserved as “Community Weekends” for the 2022-2023 academic year. On those weekends, we ask our boarding students to remain on campus and NOT take any overnight leaves. The campus is closed on these dates so that we can either strengthen our community spirit, honor a particular occasion, or support the logistics of a specific event. Community Weekend dates can also be found on the School Portal’s Blueline Calendar – BL General.

If a student wishes to apply for any exceptions to these restrictions, please contact our Dean of Students, Mr. Edmond, or our Assistant Dean of Students, Ms. Bednar.

Thank you!  
Asheville School’s Student Life Office
