The Board moved to go into closed session at 6:31 pm

EXECUTIVE SESSION

Motion #1 AUTHORIZING EXECUTIVE SESSION

WHEREAS, while the Sen. Byron M. Baer Open Public Meetings Act (N.J.S.A. 10:4-6 et seq.) requires all meetings of the Morris School District Board of Education to be held in public, N.J.S.A. 10:4-12(b) sets forth nine (9) types of matters that may lawfully be discussed in "Executive Session," without the public being permitted to attend, and

WHEREAS, the Board has determined that three (3) issues are permitted by N.J.S.A. 10:4-12(b) to be discussed without the public in attendance and shall be discussed during an Executive Session to be held on September 19, 2022 at 6:30 P.M, and

WHEREAS, the nine (9) exceptions to open public meetings set forth in N.J.S.A. 10:4-12(b) are listed below, and next to each exception is a box which will be marked when the issues to be privately discussed fall within that exception, and after each exception is a space where additional information that will disclose as much information about the discussion as possible without undermining the purpose of the exception shall be written:

"(1) Any matter which, by express provision of Federal law, State statute or rule of court shall be rendered confidential or excluded from public discussion." The nature of the matter, described as specifically as possible without undermining the need for confidentiality are: Student Matters

"(2) Any matter in which the release of information would impair a right to receive funds from the federal government." The nature of the matter, described as specifically as possible without undermining the need for confidentiality is:

"(3) Any material the disclosure of which constitutes an unwarranted invasion of individual privacy such as any records, data, reports, recommendations, or other personal material of any educational, training, social service, medical, health, custodial, child protection, rehabilitation, legal defense, welfare, housing, relocation, insurance and similar program or institution operated by a public body pertaining to any specific individual admitted to or served by such institution or program, including but not limited to information relative to the individual's personal and family circumstances, and any material pertaining to admission, discharge, treatment, progress or condition of any individual, unless the individual concerned (or, in the case of a minor or incompetent, his guardian) shall request in writing that the same be disclosed publicly." The nature of the matter, described as specifically as possible without undermining the need for confidentiality is:

"(4) Any collective bargaining agreement, or the terms and conditions of which are proposed for inclusion in any collective bargaining agreement, including the negotiation of terms and conditions with employees or representatives of employees of the public body." The collective bargaining contract(s) discussed are between (1) the Board and the Morris School District Administrators Association.

"(5) Any matter involving the purchase lease or acquisition of real property with public funds, the setting of bank rates or investment of public funds where it could adversely affect the public interest if discussion of such matters were disclosed." The nature of the matter, described as specifically as possible without undermining the need for confidentiality is:

"(6) Any tactics and techniques utilized in protecting the safety and property of the public provided that their disclosure could impair such protection. Any investigations of violations or possible violations of the law." The nature of the matter, described as specifically as possible without undermining the need for confidentiality is:

"(7) Any pending or anticipated litigation or contract negotiation in which the public body is or may become a party. Any matters falling within the attorney-client privilege, to the extent that confidentiality is required in order for the attorney to exercise his ethical duties as a lawyer." The parties to and docket numbers of each item of litigation and/or the parties to each contract discussed are and the nature of the discussion, described as specifically as possible without undermining the need for confidentiality is:

"(8) Any matter involving the employment, appointment, termination of employment, terms and conditions of employment, evaluation of the performance, promotion or disciplining of any specific prospective public officer or employee or current public officer or employee employed or appointed by the public body, unless all individual employees or appointees whose rights could be adversely affected request in writing that such matter or matters be discussed at a public meeting." Subject to the balancing of the public's interest and the employee's privacy rights under South Jersey Publishing Co. v. New Jersey Expressway Authority, 124 N.J. 478 (1991), the employee(s) and nature of the discussion, described as specifically as possible without undermining the need for confidentiality are:

"(9) Any deliberation of a public body occurring after a public hearing that may result in the imposition of a specific civil penalty upon the responding party or the suspension or loss of a license or permit belonging to the responding party as a result of an act of omission for which the responding party bears responsibility." The nature of the matter, described as specifically as possible without undermining the need for confidentiality is:

WHEREAS, the length of the Executive Session is estimated to be sixty (60) minutes after which the public meeting of the Board shall (select one) reconvene and immediately adjourn or reconvene and proceed with business where formal action will be taken.

NOW, THEREFORE, BE IT RESOLVED that the Morris School District Board of Education will go into Executive Session for only the above stated reasons; and

BE IT FURTHER RESOLVED that the Board hereby declares that its discussion of the aforementioned subject(s) will be made public at a time when the public's interest in disclosure is greater than any privacy or governmental interest being protected from disclosure.

PUPIL SERVICES

OUT OF DISTRICT ROSTER

Motion #1 that, upon the recommendation of the Interim Superintendent, the Board of Education approve placements and instructional services for students with disabilities, including those received by the district and those attending schools for which tuition is charged, for the month of September as noted in the detailed listing maintained on file in the Board Secretary's office.

EXPLANATION

Students with IEPs whose needs cannot be met in the programs that exist within the district are placed in outside private and public schools approved by the New Jersey Department of Education for students with disabilities. Attendance is monitored monthly in order to ensure students are enrolled as agreed and the state-mandated contract with each school states that two weeks' notice is required for removal of a student. Case managers make at least two visits per school year for each student enrolled in one of these schools, including one visit that involves the convening of an IEP Team to complete an annual review of the student's IEP. In order to preserve confidentiality, all students are identified only by their local and/or state identification numbers in any listing that is maintained outside the Office of Pupil Services.

9-12

WORK BASED LEARNING (WBL) 2022-2023

Motion #2 that, upon the recommendation of the Interim Superintendent, the Board of Education Approve the provision of instruction in the community that involve specific individualized student learning objectives, in order to meet the needs of students with disabilities who require Structured Learning Experiences for the 2022-2023 school year. Part of the program involves off-site internships and job sampling at job sites and other community partnerships. Parents are informed of each of these off-site experiences in advance. Structured Learning Experience is not a field trip as directed by NJDOE. The list of community partnerships is as follows:

- Foster Fields
- Frelinghuysen Arboretum
- Grow It Green
- IHOP
- Iron Culture
- Morris County Courthouse
- Tiffany and Co.
- Tito's Burritos
- Whitsons

9-12

COMMUNITY BASED INSTRUCTION (CBI) 2022-2023

Motion #3 that, upon the recommendation of the Interim Superintendent, the Board of Education approve the provision of instruction in the community that involves specific individualized student learning objectives, in order to meet the needs of students with disabilities who require Community Based Instruction for the 2022-2023 school year. Part of the program involves off-site experiences at community environments. Parents are informed of each of these off-site experiences in advance. Community Based Instruction is not a field trip as directed by NJDOE.

EXPLANATION

Community Based Instruction facilitates the transition to adult life for students with disabilities through sustained and repeated instruction that takes place in the community and provides “real life” opportunities to teach components of NJ Core Curriculum Content Standards and Common Core State Standards. Based on age-appropriate transition assessments, transition planning also addresses post- secondary goals including self-help, health, housing, independent living, finances, other daily living skills, and postsecondary education or employment and career development. List of sites is on file in the Business Administrator’s office, updated as necessary.
