Please guide students through the following steps to join the FEV Tutor Dashboard:

- Go to **Clever account** and click on the FEV Tutor app.
- Once you are in the FEV student Dashboard, a red button will be at the top of the screen that says, "Join session now."

Please guide students to follow these 3 quick steps to book a scheduled tutoring session:

1. Go to the **Clever account** and click on the FEV Tutor app.
2. Select the blue 'Book a Session' button at the top of your dashboard
3. Enter your preferred tutoring Subject, Days, and Times.

Please guide students through the following steps to join the FEV Tutor Dashboard:

1. Go to the **Clever account** and click on the FEV Tutor app.
2. Click the 'On Demand' tab on the dashboard.
3. Select the subject, course, and question your learner wants to work on.
4. Click SUBMIT to connect to a tutor.

Some helpful information for students:

- The tutoring is chat-based. Students will work with their tutors on a shared whiteboard and communicate through chat. Tutors will introduce the platform tools in the first session.
- Using text-to-speech, students can listen to their computers to read what their tutors are typing.
- If computers are equipped with microphones or students have headsets, the student-side microphone can be activated to allow them to speak to their tutors.

If you have any questions or need to make schedule changes, email us at va@fevtutor.com or call (855)763-2607.

We look forward to working with your students this year!
