

ATTENTION

CONCURRENT ENROLLMENT SENIORS!

Weber State University makes it really easy for you to make the transition from a high school concurrent student to a fully admitted WSU student. You don't need to reapply for admission, simply follow these easy steps:

1. Log in to your eWeber student portal at weber.edu
2. Click on the Admissions tab, or search for "Status Switch". You will see a light-switch icon. Click on the icon.
3. Complete the questions and you're done!

After completing the switch:

- You'll still be eligible to register for concurrent enrollment classes for spring semester.
- You'll be eligible to apply for financial aid and additional scholarships.
- Your academic profile in your eWeber portal will still list 'concurrent enrollment' as your class standing until after high school graduation.

APPLY FOR ADMISSIONS

Weber State is an open enrollment institution, and there isn't an application deadline. High school students may apply beginning Sept. 1 of their senior year.

1: Fill out the Application online at weber.edu/apply

2: Submit required documents.

A. Official high school transcript sent directly from the high school, or GED documentation.

If students have completed 30 or more college credits, they do not need to submit a high school transcript.

B. ACT/SAT scores.

These tests are not required for admission, but the scores will help determine scholarship eligibility, and math and English placement.

C. Official transcripts from all colleges or universities where the student has completed work (including Concurrent Enrollment).

The transcripts must be sent directly from the colleges to the Weber State Admissions Office.

3: Pay the \$30 application fee.

RETURN TO WEBER DEFER ENROLLMENT

You can apply for and keep your scholarships even if you aren't attending right away. Apply now, defer enrollment and then return to Weber and pick up right where you left off after Military or religious service.
