# FOREWORD

The Journalism class entered upon this year's task with the earnest determination to create a book, not only to give a complete record of school events, but also to show the winning spirit of "Old Jefferson High." It has been a great task and we have done our best to create a book that will be a credit to our school. When years have gone by and you search out your high school annual, may it bring back pleasant memories of your happy high school days.

# DEDICATION

To our parents, who have made our education possible through their many efforts and sacrifices during our four years of high school, we, the seniors of 1942, wish to dedicate this annual.

On September 1, 1941 twenty-two Juniors enrolled in the Jefferson High School. Now that we were well on our way through high school most of us decided to leave a trail behind us so that the lower class members wouldn't forget us soon. This class placed members in basketball, music, band, and three students won superior ratings at the Home Declamatory Contest. The Junior class won the one-act play contest with "Swept Clean off Her Feet." Twelve of our members were in the three-act play, "Love Troubles Tommy."

Later in the year we held the annual Junior Prom and after this we sponsored the Junior-Senior banquet.

*Remember the good old Freshman days that I had at Jefferson High School. I will never forget the friends I made there. I will always remember them.*

Two years ago the Sophomore class, which was then the Freshmen class rolled into Jefferson High School with the determination to make good by their school. To them the school and its classes were much different than the former ones they had attended. However, they soon overcame this different change. When their second term came around they were Sophomores. They were now well acquainted with the new surroundings and were more developed students. As a whole the class was popular in all activities and came out of their second year ready and willing to go back again next year to pile up records which other classes would remember them by.

Thirty freshmen enrolled in Jefferson when school opened last September first. After their initiation they really settled down to work, a number making the honor roll. They took part in many activities. Some of them joined the glee club, journalism club, and basketball and track teams. As a whole the class was quite co-operative.

*"Bingosh"*

The music department of Jefferson High was in the charge of Mr. Cash and Miss Schmidt. Mr. Cash, director of the band has built it into a very promising organization. One thing to be noted is that most of the members are freshmen and sophomores while there are but three juniors and only one senior. This shows that in a few years we will have an experienced group of players in place of the novices that started last fall.

The mixed chorus and girl's glee club which participated in the contest at Vermillion April 24 were Miss Schmidt's biggest jobs. Besides these two groups there were quartettes and sextets which went to the contest at Beresford on April 9 with the six soloists.

The results of the contest were as follows: Baritone solo; Norman LaFleur, Superior. Soprano solo; Pauline Crevier, Excellent. Tenor solo; Roland LaCroix, Good. Bass solo; Carl Radzik, Superior. Alto solo; Mona Rose LaCroix, Good. Mezzo-soprano solo; Darlene Trudeau, Good. Girl's ensemble; Lynette Trudeau, Marvetta Montagne, Ruby Robinson, Bette Jean Bernard, Arlene Pagar, Marie Jean Montagne, Superior. Mixed ensemble; Marvetta Montagne, Romeo Bertrand, Marie Jean Montagne, Roland LaCroix, Arlene Pagar, Ben Bernard, Lynette Trudeau, Carl Radzik, Superior. Boy's quartet; Roland LaCroix, Romeo Bertrand, Ben Bernard, Carl Radzik, Excellent.
