DEDICATION

We, the Annual Staff of '44 wish to dedicate our annual to the Jefferson High School graduates serving in the armed forces. May the thoughts and efforts which we have put into this book brighten the days of sacrifices which you endure for our protection.

PEP SQUAD

This year marked the first anniversary for the Pep Squad. It has experienced its Ups and Downs--but always managed to "top" the pyramid with agility, grace, and the attitudes of good sports.

The group is smaller this year than last, but consists of the best girl tumblers and a very congenial mascot, who proved to be a true asset to our club. We wish to express our gratitude to her for her able co-operation.

Our most difficult feat of the year was presenting Margaret Crevier, Norma Karpen, Jean Montagne, and Annette Bernard diving over three girls and somersaulting into position. Margaret Crevier was featured especially in several drills because of her unusual ability to dive over five persons. Norma Karpen is also noted for her agility in this work.

Dear Day,
Remember me as just
another Junior girl.
Good luck. Take it
easy. Mary B
