FORWARD MARCH...

Here comes a parade! Elk Point High School is on parade.

There are no onlookers in this parade. Everyone is a participant. Each teacher leads his "band" of students. Another year closer to their goal. This is a four-year parade.

Waving their blue and white banners and singing their school song, the upperclassmen and lowerclassmen alike are one in spirit, truth, and loyalty to "dear Elk Point High."

There are approximately 182 people in this long parade. But soon 30 of them will turn from the "band" and march in to the street of the Future. Confronting them is all the asperation, bewilderment, and anticipation associated with invocation----a new life, a new parade in life.

They are leaving behind their fellow students and marching away. Some may fall out of step, and some may change their course. But the parade still goes on, and new "bands" will take the place of the old.

Yes, the students of Elk Point High will keep marching, marching from today into tomorrow, from Elk Point High into the Future.

We at Elk Point believe that democracy is another quality which an ideal boy and girl must possess. The Student Council is based on this belief and through this organization, much is learned about the institution of democracy. Acting under a grant of power from the administration, the Student Council enacts and enforces rules, transacts business, and represents the general interests of the students so as to maintain a higher standard of social living in the school and a spirit of mutual understanding and co-operation between the student body and the school administration. The positions of president and vice-president are filled by election by the student body. The Student Council functions under the guidance of the advisor, Mr. H. J. Tiemens.

Coach Timm

From my vantage point in the press box this season, I could see that the Pointers were handled expertly with the sure figuredness and quick thinking of Coach Robert Timm. Executing and tricky but excellent job of zig-zagging and out-maneuvering the opposition describes the ready position of each player.

HOMECOMING ROYALTY

The tension had been building up all week long and by Thursday, everyone had caught some of the excitement. Throughout the gym that mournful whisper of "I wonder who will be king and queen," and "Oh, I hope..." could be heard. Finally the court herald, Louise Myers, made her way to center stage. "Here ye, Here ye, I now proclame the royalty for 1962 to be King Craig and Queen Elaine."

Entering the beautifully decorated gym were crown bearers, Craig Abraham and Tim Hall, followed by flower girls, Jean Hall and Carla Girard. Next to enter were Queen Elaine and King Craig followed by their Senior attendants John Beebee and Janice Fennel and Gerald Hanson and Kay Quam. Next in the royal court came Sheryl Ekren and Myra Olson followed by Jeanne Benjamin and Marie Broderson. Following the Coronation exercises a huge bonfire began two wonderful days in the lives of these students ----- two days that they will never forget.

On Friday forenoon, Elk Day, all was started by a Pep Meeting, after which everyone attended a free show at the State Theater, courtesy of the Chamber of Commerce.

In the parade that afternoon the sophomore class float, "Expecting a Victory", won first place, second prize was awarded to the Junior class, and third place to the Senior class.

That evening the Pointers won a victory over the Hurley Bulldogs, 20 to 0. After the game the students' weekend was brought to an end with a Homecoming Dance.

We The Students

realize the inevitability of wasted hours were we to seek knowledge without the guidance of others. For this reason we understand the importance of such an efficiently-run plant where this knowledge can be conveyed from teacher to student. The administration of the "Plant", our school, is of primary importance to us.

Therefore:

We, the students, wish to express our gratitude to the administration and staff of Elk Point High School each of whom has aided us in countless ways. We take this opportunity to pay tribute to their constant activity in our behalf---the wisdom of their experience---as well as their readiness to assist us in our undertaking, whether they be academic, athletic or social---and the many hidden tasks they perform, which all contribute to the smooth functioning of our school.
