Despite a long season with a 1-8 season record, the football team tackled a victory over the Jefferson Blackhawks. The Pointers surged in the first half leading 21-0. Tough defense and a varied offense helped the Pointers win the game 34-6.

This year's co-captains were Jeff Zeller and Lloyd Humphrey. Jeff was a member of the "Big Eight Conference" and the honorable mention All-State team. Lloyd Humphrey, Ronnie Smith, and Jerry Frye received honorable mention positions in the "Big Eight Conference."

## We're on the Way Up

Second place in district! The Pointer girls are inching closer and closer to the top. A good district draw and some hard team ball won Elk Point's way to the Championship round with the Wakonda Warriors. The game ended with a score favoring Wakonda which left a tired Elk Point team with second place.

After a 9-13 season record the girls pulled off sixth place in the "Big 8" conference tournament, winning only one game.

## Young Wrestlers Gain Experience

With only one returning senior on this year's wrestling squad, the "Pointers" won only three dual matches, but gained a wealth of experience during the season. The high-light of the season was a 34-32 dual win over Akron-Westfield and sending Jerry Frye and Tim Irwin to the State Tournament. Tim Irwin, Jerry Frye, and Larry Schmitz qualified for the region tournament with Tim Irwin winning the District Championship at 167 lbs. Jerry Frye was a runner-up at 145 lbs., while Larry Schmitz was 4th. Jerry Frye, the only senior on this year's squad finished the year with a fine record 20-8, and joins a select group of Elk Point Wrestlers to notch the 20 win mark. Tim Irwin posted a 16-11-1 record for the year and Troy Norby finished with a 17-5 record. Jerry Frye and Robert DeBuhr placed in the Big "8" Conference Tournament, with 2nd and 4th place finishers respectively. Elk Point hosted three wrestling tournaments this year and finished second in each. Tim Irwin and Jerry Frye were selected co-captains by their teammates.

# VOLLEYBALL VOLLEYBALL VOLLEYBALL

The 1983-84 volleyball season ended on a sad note being eliminated from state tourney play by the Jefferson Black Hawks. However, it was a very successful year with the highlight being the ending of Sioux Falls Washington's 23 in a row match wins with a 2-0 (15-12, 15-9) victory. This match was undoubtedly the greatest match played by our school in its six year history. It stands for the great effort, dedication and team cooperation that is needed in such a victory.

The Elk Point "Pointers" completed the year with an overall record of 14-8 for the 83-84 season. The "Pointers" finished the season with a Big 8 Conference record of 1-5. One of the outstanding moments in the season was a crashing win over fifth ranked Scotland 53-47 in the Dakota Dome Classic. The "Pointers" also defeated Brandon Valley 47-44 in the Conference Tournament and later lost a 50-51 grueling battle against them. Brandon Valley who won the conference regular season title with a perfect 6-0 mark.

# TRACK AND FIELD TRACK AND FIELD T

Again the 1984 track season got off to a slow start, for mother nature just wouldn't cooperate. After the weather improved, the performances followed suit. Both track coaches, Boys' coach Rod Knutson and Girls' coach Bob Vanderlinde, were pleased with this year's performances as six tracksters advanced to the state meet to be held in Madison and Sioux Falls.

One of the girls' records was shattered this year. Melissa Bird Spit the shot put 34'6¼" to crash the old record of 31'5".

This year's track teams include **at right** the girls. **Top row:** Mgr. J. Boldenow, V. Carlson, S. Zoss, A. Kuklantz, L. Livingston, J. Rasmussen, L. Huber, S. Klunder, and Mgr. D. # CROSS-COUNTRY GOLF CROSS-COUNTRY

No respect, no respect at all!!! This is commonly heard of from the cross-country and golf kids. They may not be spectacular sports and can be easily watched, but the kids that participate in these sports represent the school with great performances in the meets they compete in.

# LETTERWINNERS PEP CLUB LETTERWINNERS

## We've Got the Spirit!!

The Letterwinners and Pep Club have promoted school spirit for many years, but this has been one of the best.

The Letterwinners' biggest achievement was providing the school with a track record board. Of course, they also performed their usual service at the concession stand.

The Pep Club was real busy this year. They revised the original Pep Club constitution. They also sold "cheer mitts" to raise money and to elevate school spirit. Keep up the good work!!

Here's the Letterwinners!

The top dogs: President J. Zeller, Sec. L. Humphrey, Supervisor Mrs. Nearman, and VP T. Kastrup.

1. Who's behind the Pointers? We are!
2. Give us a cheer Shan.
3. Uh . . . come out and support us tonight . . . we'll try our best to win!
4. You're right . . . this is ridiculous.

The Vocational Education program offered to EPHS Juniors and Seniors is a cooperative voc-ed program set up with Vermillion High School. After Vermillion students have filled available slots, the remaining slots are offered to EPHS students.

The students leave for Vermillion at approximately 8:15 a.m. They return to EPHS at 12:00 to take their required classes during the last three periods of the day.

1. David Abraham and Myron Chicoine find out that programming computers isn't as tough as it looks.
2. Todd McInerney, Karla Rosenbaum, and Robert Charbonneau are reading their English books. Hey Todd, is your book in braille?
3. Lowell Cacek "I know I put that car in here someplace."
4. Jim Hall "Now where did I put those goggles?"
5. Jerry Frye and Todd Hanson ponder the question, "Should we get to work now or later?"
6. They got the "no fringies" lecture again.
7. David Kroeger, Lowell Cacek, Jim Hall, Jerry Frye, Todd Hanson, and Todd Anderson getting ready for their road trip to Vermillion.

## The Art of Cooking and Sewing

Art and Home Economics are not just classes offered at EPHS. To the students that take these classes, they are an opportunity to express themselves in new and different ways. They can express themselves in painting a picture, drawing a sketch, cooking food, or sewing an outfit.

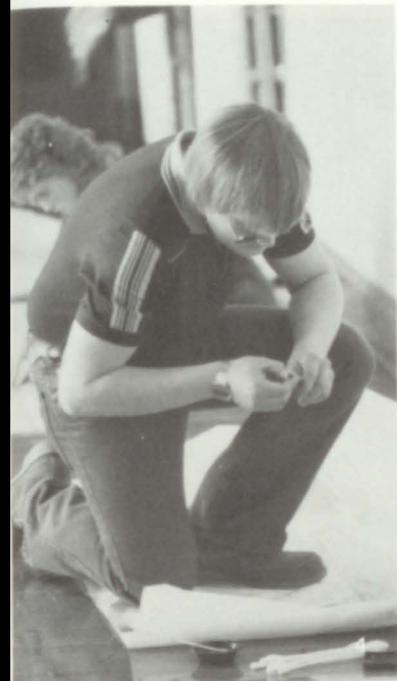

Art is taught by Jerry Klumper. It is no longer just one art class. It now includes classes on painting, graphics, design, clay, and sculpture. Now students have even more ways to express themselves in art.

Home Economics is taught by Miss Vonorak. It has expanded to include classes on personal grooming and clothing, foods and nutrition,

single living, family living, and housing and home furnishings.

Miss Vondrak is also the advisor for FHA, Future Homemakers of America. This year's officers are: President — Lisa Carlson, Vice President — Debbie Irwin, and Secretary/Treasurer — Julie Irwin. FHA has been busy this year. Members volunteer to work at Head Start during their study halls, and once a month they visit with the elderly in the community and bring them food.

These classes may not seem practical to you, but those involved in them find them very special and rewarding.

1. **Left to right:** Stacey Ferdig, Julie Irwin, Carrie Shaw, Tammy Rosenbaum, Miss Vondrak, Lisa Carlson, Debbie Irwin, and Maria Charbonneau have "sew" much fun in Home Ec. and FHA.

3. Tammy Rosenbaum seeks a little help with her sewing.

6. Jeanne Haug is working hard "on" her picture.
7. Jason Westphal demonstrates the correct way to paint.

## Drama

Overcome by jitters, the Elk Point High School cast struggled through their performance that was given to the grade school classes; however, the night of the play was a great success.

## Play It Again Band

Christmas cancelled? No, just the band concert that had been prepared for weeks. The concert cancellation was the only setback the band had to encounter during the year. All went well at the other concerts, contests, and half-time shows. The band added a new event to their agenda this year; a trip to Brookings for the annual band teachers' conference. This was the first year the teachers had a chance to listen to a "B" school play.

One big challenge for the band this year was fund-raising. Band members sold numerous pizzas and a large amount of popcorn to help finance their trip they wish to take next summer.

1. Everyone in step?
2. Kim Morrow keeps the band in line when she's not playing her sax.

## Hello Out There

What a great year for the EPHS choir and their rookie director, Mrs. Raymond. The entire chorus received a superior rating at the large group contest in Freeman. The swing choir stole third place at the Jazz and Swing Choir contest in Vermillion. Among these there were many superiors for our groups and solos at the annual solo and ensemble contest.

## The Pointer Staff

Two publications that the students at EPHS receive on a weekly and yearly basis are the yearbook and weekly edition of the school's newspaper *The Pointer*. These two extra-curricular activities are ones that don't receive a lot of notoriety because none other than staff members see them until they are in their final productive stages. We, as members of both staffs do know one thing, if we did not publish these two works they would certainly be missed.

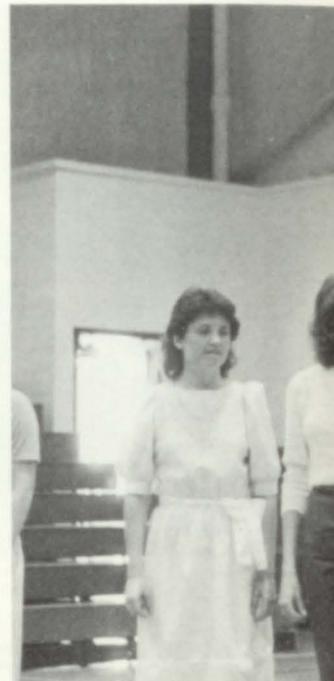

## The Annual Staff

## Our Leaders

Sadie Hawkin's Day brought a drastic change to school life. The girls catered to every boy's whim. This was only one of the many activities the Student Council sponsored this year. They also put on the usual Homecoming events; Coronation, the parade, a football raffle and the dance; the Sweetheart dance and flowers; Honor Study Hall, donut break and freshmen orientation. Besides the Homecoming and Sweetheart dances, they also sponsored a St. Patrick's Day Dance.

The Democratic candidates discuss their issues.

## Extra Extra . . .

People think that in a small town like Elk Point all you hear is the gossip, but this article only states the facts. This was the year for the Olympics. The United States had four gold medalists in the winter games, which were held in Serejevo, Yugoslavia. The United States held strong contention in skiing. The Summer Olympics will be held in Los Angeles, California.

This year was also the beginning of Presidential campaigning. Ronald Reagan is the sure shot for the Republican candidate, but the Democratic ticket isn't so easily solved. Walter Mondale is leading in delegates but Gary Hart and Jesse Jackson are giving him a good run.

Edwin Meese was the big story in politics. President Reagan appointed Meese as Attorney General, but when Congress began investigations on Meese they found some shady stories.

The new music trend was coming from hit stars such as Michael Jackson with "Thriller" and Boy George in his makeup.

The movie of the year was "Terms of Endearment" which starred Shirley McClain. This movie brought in five Academy Awards.

Some of the new fads in clothing were Converse canvas high-tops of all different colors. Mini-skirts are back in and so is short messy hair.

Will this man be Attorney General???

What sweet music Boy George makes.

Skiing in for a Gold Medal.

Even teachers read the news.

Break-dancing can be suicidal!

roducing the camouflage Converse All Star. It's the most hunted canvas shoe around. Look

Yes, we really do wear these.

## Read All About It

Probably the biggest newcomer to the whole world was "break-dancing." This consisted of things such as the "moonwalk," the "suicide," and the "worm."

One of the most newsworthy events in Elk Point was that the girls' Volleyball team didn't make it to state but the swing choir more than made up for this mishap. This year's swing choir was great to put it in short. They brought home many superior ratings.

Other news in sports this year the football team only clinched one win but, they tried hard the whole season. The girls' basketball team made it to the final round in districts only to get beaten by a powerful Wakonda team. This was a little different year for cross-country, we finally had some girls out for the sport. In volleyball the highlight of the season was defeating Sioux Falls Washington, and in boys' basketball they came away with third place in the district tournament. The wrestling team had two qualifiers for the state meet and both did very well. The golf teams both finished strong with both the girls' and boys' teams qualifying for state. The track teams also finished strong with two girls and four boys qualifying for the state meet.

This has focused in on a few bright spots in the news and next year will bring much more good news to focus in on.

## Prom '84 Island in the Stream

The Junior-Senior Prom was a night to remember for all who attended. The meal was held in the new senior citizen center and the dance was in the old gym. Cody's Homestead catered the dinner. The menu included: chicken, baked potatoes, green beans, rolls and for desert there was ice cream. A short program followed with the reading of the Senior Story and tributes to the seniors. But what made the night memorable was when everyone found out the band had cancelled just a few hours before. The night was salvaged by having Jack Bradshaw DJ. Even with the disappointment of the band not showing up it was still a great night.

**Top Left:** Lloyd giving one of his super-smiles.

**Top Right:** Elva telling the juniors that everything is just wonderful.

**Middle Right:** Amy, June, Michelle, and Christie smiling real pretty for the camera.

**Middle Right:** Mike Pohlen with a disgusted look because his dinner was interrupted just to take a picture.

**Bottom Right:** Kelly is asking Troy what he thinks of this food. Next to Kelly, Tonja is giving her sophisticated look.

**Top Left:** John, Debra, KrisAnne and Mike wonder when the main course is going to get here.

**Top Right:** Brent doing his presidential duties.

**Middle Left:** Everyone is looking onward to where people are posing for pictures.

**Middle Right:** Could you repeat that Monica?

**Bottom Left:** Everyone waiting patiently for the music to begin.

1. This year's ushers were Mr. and Mrs. Fletcher.
2. Michelle tries to help Susan pin on one of those collars.
3. KrisAnne gets a hug and Craig gets ready to party.
4. Mrs. Abraham awards Michelle with her diploma.
5. The guys are all ready to graduate.
6. Hugs and kisses for all.
7. Lloyd gives the welcome speech.

And now our hour glass has been drained of sand. School days are over, graduation ceremonies have come and gone. Now high school is just a memory with a long past.

The future is ahead of us. It is filled with endless trials and tribulations. Yet we won't be frightened for we've fought in battle with our friends and know it is limitless to what can be conquered.
