Victims of Slave Day

Student Council

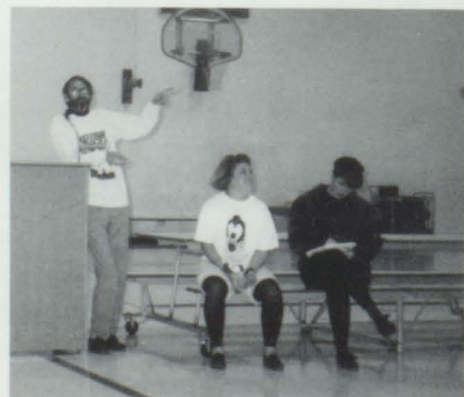

This year the student council has been extremely active in student affairs. To raise the much needed funds, the student council participated in various fundraisers. During the football season, they held several tailgate parties. A slave day, which raised a whopping \$875, was an enormous success. Around Valentines Day, compatability test results and cupcakes were sold.

The student council sponsored numerous dances such as: Homecoming, Snowball, Twirp, St. Patricks, and an in-school dance in which prizes were distributed.

All of the proceeds from the fundraisers went to the purchases of items that will improve the school. A stepper for the weight room was obtained, and prizes were donated for the Awards Assembly. The remaining money will be used for other projects.

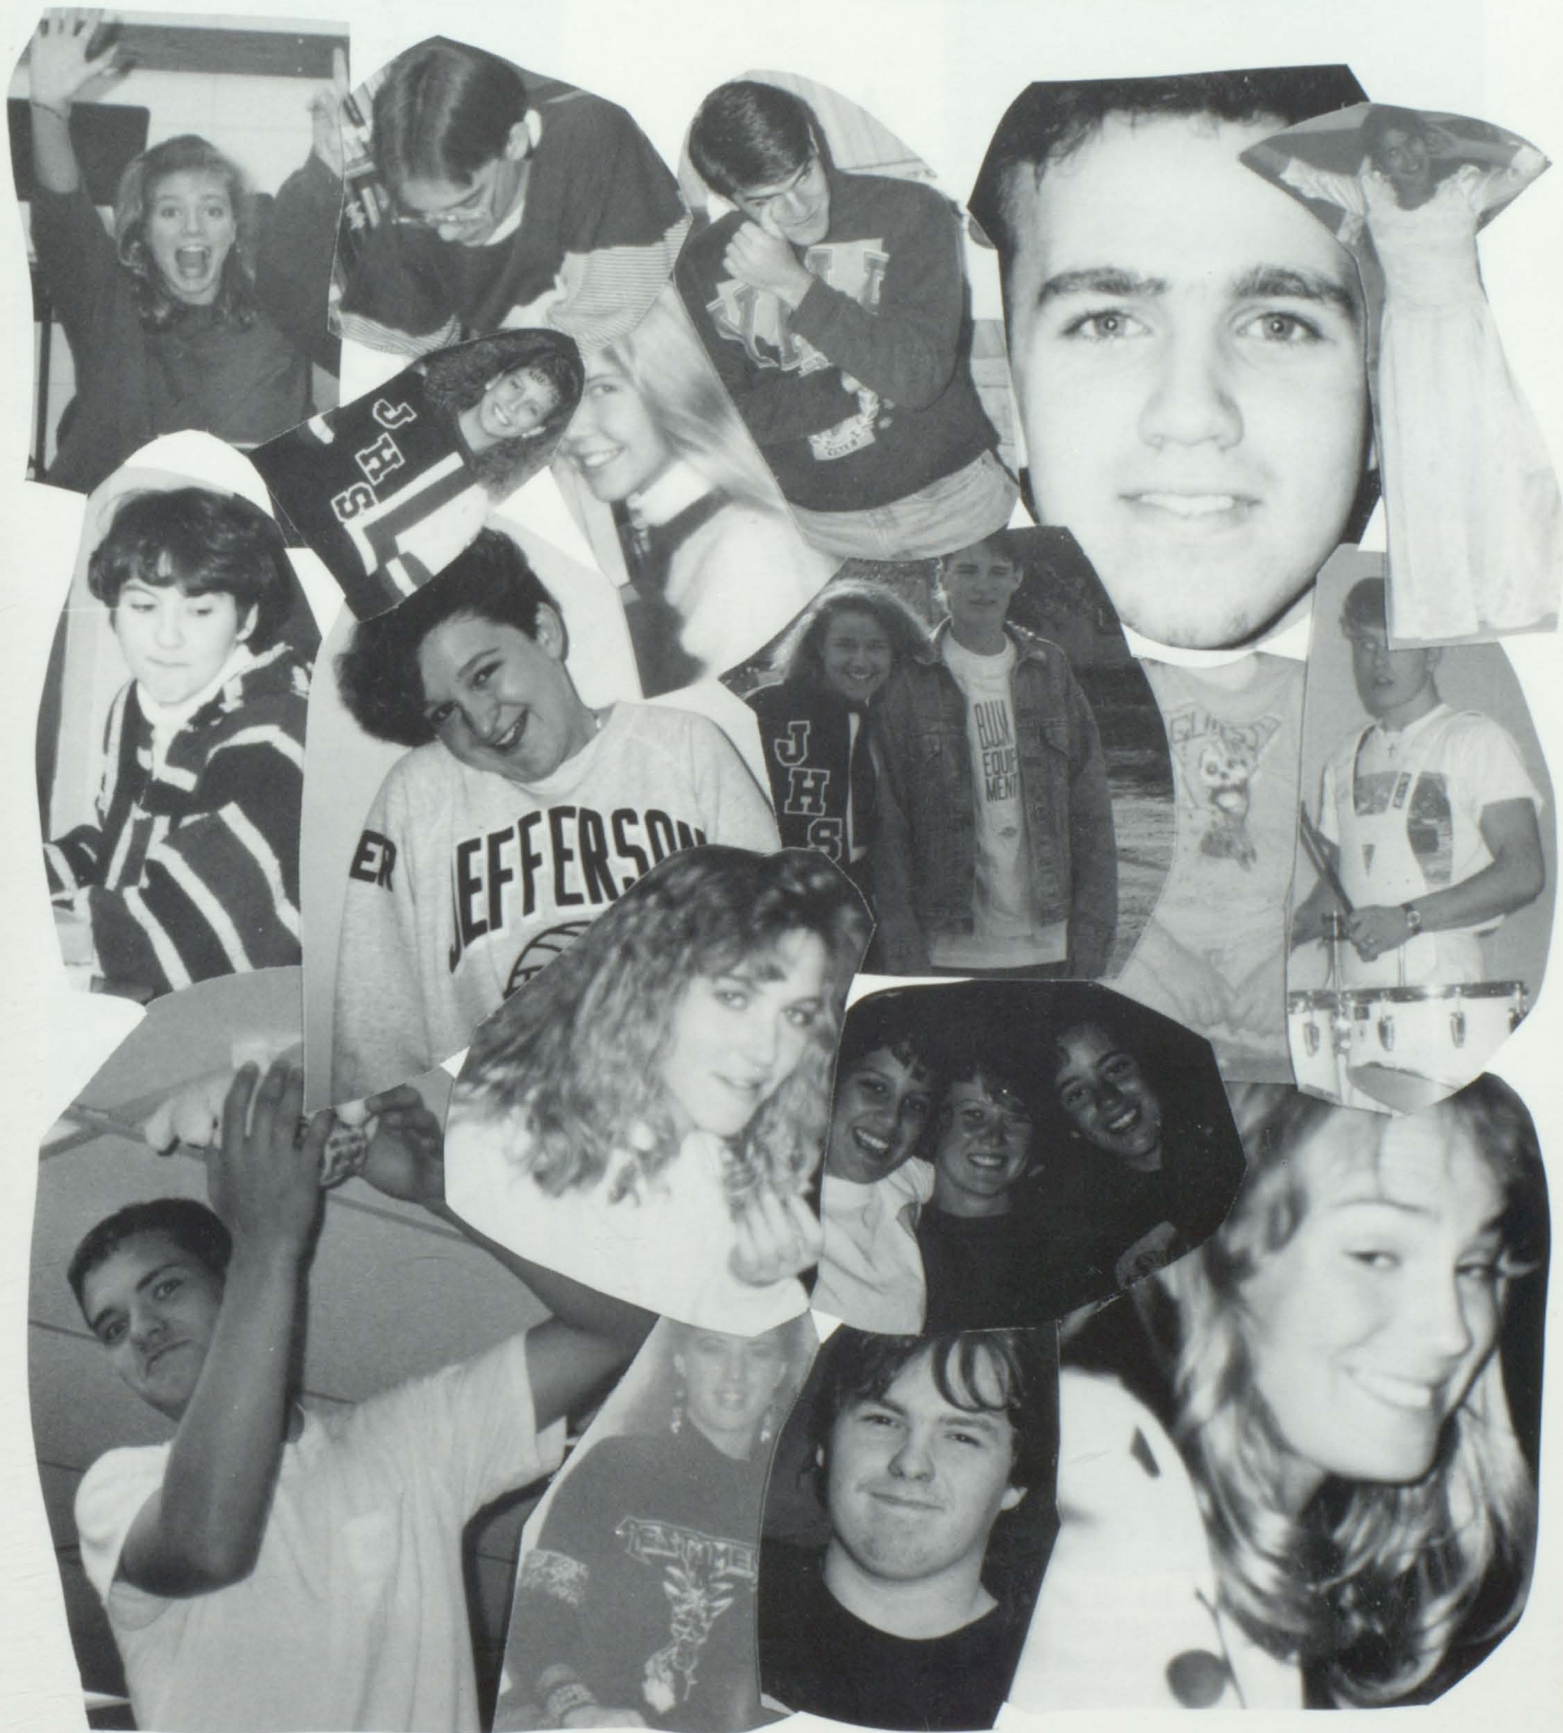

Student Council Officers: President-Alex Corio; Vice President-Trista Schaeffer; Secretary-Angeline Garner; and Treasurer-Layne Delperdang.

JUNIOR CLASS PLAY

"The Substitute"

The Juniors thanking Mr. Smith for his help.

This years Junior class play was about substitute teachers. Throughout the play a variety of brave substitute teachers, that as students, we torture when our trusting teachers are absent for a day or two.

Each substitute teacher displays their way of controlling or not controlling the class. How some teachers know what kids plan to do, and others are worried of what might happen.

Everyone was out going and showed their spirit, and had a successful play.

As class begins, Lisa and Jeff enter as though nothing has happened. Yet at the end, much to their surprise, something did happen. They had lost their lives in a car accident, due to their drug and alcohol abuse.

The finished project!

Annette Scott trying to follow the lines

It is said that hard work pays off. This year, the small Junior class knew that they would have their work cut out for them when they walked into the empty gym two days before Prom. With the Howard Wood track meet on the same weekend, the missing athletes left few behind to get the job done. But as the bus brought them back home from the long trip on Friday night, they set down their bags and filed into the gym, and together they built a dreamland that they will never forget.

The class was pleased with the outcome of their hard work and their cooperation. At the end of the night, when the streamers were torn down and the balloons popped, you could see some exchange glances, as if they had lost a close friend.

THE END!

PROM "EVERYTHING I DO, I DO FOR YOU" '92

Juniors: Heather, Mike, Holly, Brian, Ruben and Holly, hard at work (NOT!)

Trent and Angeline flash their smiles during prom.

Tom "DUH!"

the prom studs do
the "Buffalo Stance".

Barry Stark and his date "Puttin' on the Ritz".

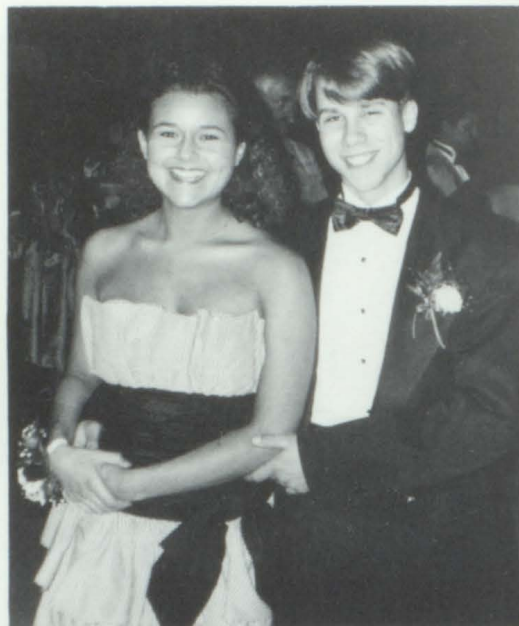

Trista and Jason are
dancin' the night away.

PROM! What a night. Time for putting on those expensive, not so comfortable clothes, and dancing until you fall over. It was also a time for those close and intimate dances with the one you adore. Everyone who attended prom, I am sure, had the time of their life and would do it all over again the same way.

"Hey guys the party isn't over yet!"

Dawn and Jeff "what a cute couple".

Paula and Chad are "Dancin' machines"

Tom, Brian, Kim, and Mike wait for the festivities to begin.

Jason, Doug, and Tige "Bring on the babes"!
